Increasing inbound tourism in Japan is majorly driving Japan’s foodservice market. Japanese foodservice industries are increasingly offering international cuisines, for domestic, as well as the international population. A comparatively weaker YEN is making imported food cost more, but also result in an increase in the number of foreign tourists visiting the country. After full-service restaurants, tourists prefer visiting Cafe and Bars in Japan.

Conference Venue: Radisson Hotel Narita
650-35 Nanae, Tomisato
Chiba Prefecture 286-0221, Japan
