

Editorial Note

12th International Conference on Medicinal Chemistry and Drug Discovery

October 14-15, 2020 Webinar

Editorial Note

We had a huge success with the completion of 12th International Conference on Medicinal Chemistry and Drug Discovery Webinar on October 14-15, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the field of Medicinal Chemistry.

The conference was organized around the theme “Unveiling Prodigious Discoveries and Exploratory Insights in Medicinal Chemistry & Drug Discovery”. The congress entrenched a firm relation of future strategies in the field of Medicinal Chemistry & Drug Discovery.

We would like to thank all the participants and following keynote speakers:

- Federica Moraca, University of Naples, Italy
- Simone Carradori, University of Chieti-Pescara, Italy
- Dubreuil Didier, Université de Nantes, France
- Paul Zavala-Rivera, Universidad de Sonora, 83000, Hermosillo, México
- Emine Erdag, Near East University Faculty of Pharmacy, North Cyprus

We would like to thank each and every participant of Euro Medicinal Chemistry 2020 webinar to make this a huge success and special thanks to media partners for the promotion of our event.

The ConferenceSeries LLC LTD Chemistry Conferences aim to bring together the prominent researchers academic scientists, and research scholars to exchange and share their experiences on all aspects of Medicinal Chemistry. It is conjointly a knowledge domain platform for researchers, practitioners and educators to gift and discuss the foremost recent advances, trends, and issues in addition as sensible challenges and solutions adopted in the fields of Medicinal Chemistry and Drug Discovery.
