

## Editorial Note

## 15th World Convention on Waste Recycling and Reuse September 16-17, 2020 Webinar

### Editorial Note

We had a huge success with the completion of **15th World Convention on Waste Recycling and Reuse Webinar** on September 16-17, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Recycling Summit has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the field of Environment.

The Webinar was organized around the theme “*Lifting Endless Possibilities of Recycling*”. The congress entrenched a firm relation of future strategies in the field of Environment.

We would like to thank all the participants and following keynote speakers:

- P. Siva Prasad, IITM, USA
- SAMEER JOSHI, Hon Secretary Indian Plastics Institute, India

We would like to thank each and every participant of Recycling Summit 2020 webinar to make this a huge success. And special thanks to media partners for the promotion of our event.

The **Conference Series** Environmental Conferences aim to bring together the prominent researchers' academic scientists, and research scholars to exchange and share their experiences on all aspects of Environment. It is conjointly a knowledge domain platform for researchers, practitioners and educators to gift and discuss the foremost recent advances, trends, and issues in addition as sensible challenges and solutions adopted in the fields of Environment.
