The organising committee members of **International Conference 7th Annual congress on Plant Science and Molecular Biology** have finally revealed the theme for this year's **Exploring the future advancements in the field of Plant science and Molecular Biology** conference and it is going to be, “May 18-19, 2020 Auckland, New Zealand”. Conference Series and the organising committee of **Plant Science 2020** acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of **Biodiversity and Evolution of Plants, Plant Physiology, Plant Ecology and Diversity**, and has decided to introduce various achievement awards for all the participants. **Plant Science 2020** conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at **Plant Science and Molecular Biology**

Expert Level (Scientific Service Achievement Award)

The award is meant to the experts who have made exceptional contribution in the field of [Plant Science and Molecular Biology](#) Research. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

Professional Level (The Research Contribution Award):

The distinguished “**Research Contribution Award**” at **Professional Level** will be awarded by the Organizing Committee of agri, food & Aqua to the participants of **7th Annual Congress on Plant Science and Molecular Biology**. The award will be presented for outstanding scientific achievement or service to the discipline of The eligibility criteria for achieving this award is

that one should have research knowledge minimum of **10+ years of experience** in the relative field of Physiotherapy.

Scholar Level (The Upcoming Researcher Award):

The 7th Annual congress on [Plant Science and Molecular Biology](#) offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Biologics and Pharmaceuticals. Biologics & Pharmaceuticals conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. Deserving nominees can be awarded online as well.

Women Scientist (The Women of Science Award):

[Plant Science and Molecular Biology](#) provides a unique platform with “**Women of Science Award**” for women scientists for presenting latest research projects with an in-depth analysis. Rehabilitation Medicine 2020 invites Women scholars and scientists from Rehabilitation and Physiotherapy fields. The committee encourages women scientist's through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. The eligibility criteria for achieving this award is that one should have research knowledge minimum of **10+ years of experience** in the relative field of Agri, food, Aqua.

Outstanding speaker and Best Keynote Speaker in Rehabilitation Plant Science 2020:

The award “**Outstanding speaker**” is offered by the [Plant Science and Molecular Biology](#) congress to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence in Plant Science. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Physiotherapy.

The award “**Best Keynote Speaker**” is offered by the [Plant Science and Molecular Biology](#) congress to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence in Plant Science.

The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Physiotherapy

Best Poster Presentation in Rehabilitation Plant Science and Molecular Biology 2020:

[Plant Science and Molecular Biology](#) comprises many poster presentations and the speakers designated as poster judges will nominate one poster presenter for the Best Poster Presentation Award. The Conference aims to provide a platform for all the promising graduates, scientists and budding researchers to present their research work, views and different aspects of the theme “**Exploring the future advancements in the field of Plant science and Molecular Biology**”. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of Plant Science Deserving nominees can be awarded online as well.

Outstanding Masters/Ph.D./Post-Doctoral thesis work Presentation in Rehabilitation Plant Science:

The award is designated for the Masters/Ph.D./ Post Doctorate students who can present their thesis and projects or have executed the same for the long term excellence in the field of [Plant Science and Molecular Biology](#). Deserving nominees can be awarded online as well.
