

2020 Conference Announcement of Euro Biotechnology

K.M. Yacob , Professor, Marma Health Centre, Kochi ,Kerala, India .Email: yacobkm@gmail.com

EuroSciCon is glad to welcome all the participants to 24th Edition of International Conference on Biotechnology schedule on July 13-14, 2020 in Dublin, Ireland. The conference Theme: "" that focuses to share novel approaches related to biotechnology and exploring the challenges concerning excellence in research and advancements, we are pleased to invite all Biotechnologists, Professors, Researchers, scientists, Business Giants, CEOs, COOs, Directors, Vice Presidents, Co-directors, Managing Directors, Industry Safety Officers, Environmental & Plant Scientists, Post Doctorate Fellows, Vendors of Consumer Products/ Managers, Pharmaceutical Scientists, Students from the Biotechnology and its allied areas.

These International Biotechnology Conferences proceedings include symposiums and workshops, keynote speeches, plenary talks, poster sessions and panel discussion on latest research developments in the field of Biotechnology.

EuroSciCon is the longest running independent life science events company with a predominantly academic client base. Our multi professional approach creates a unique experience that cannot be found with a specialist society or commercially.

EuroSciCon are corporate members of the following organisations:

- Royal Society of Biology
- IBMS
- British Society for Immunology
- British Society for Immunology

Conference Topics:

Medical Biotechnology
Pharmaceutical Biotechnology
Biomedical Engineering and Bio-Engineering
Enzyme & Protein Engineering
Nanobiotechnology
Plant Biotechnology
Marine Biotechnology
Food & Feed Biotechnology
Animal Biotechnology
Cell Science & Cell Biology
Applied Biotechnology
Bio-Safety and Bioethics
Business Development
Microbial Biochemistry
Advancements in Biotechnology
Bio products and Bioenergy
Reproductive Biotechnology
Bioremediation and Biodegradation
Biotechnology

Nutritional Biotechnology
Environmental Biotechnology
Stem Cell Biotechnology
Industrial Biotechnology and Fermentation techniques
Genomics and Proteomics
Genetic Engineering and rDNA Technology
Biomaterials and Regenerative Medicine
Chemistry & System Biology
Biotechnology & Intellectual Property Rights
Cell Biology and Immunology
Bioinformatics and Biosensor
Biochemistry
Biophysics
Cell, Gene Therapy & DNA Repair
Industrial Biotechnology
Biotechnology And Bioprocess Engineering

Opportunities for Conference Attendees:

For Researchers & Faculty:

1. Speaker Presentations

2. Poster Display
3. Symposium hosting
4. Workshop organizing

For Universities, Associations & Societies:

1. Association Partnering
2. Collaboration proposals
3. Academic Partnering
4. Group Participation

For Students & Research Scholars:

1. Poster Competition
(Winner will get Best Poster Award)
2. Young Researcher Forum
(YRF Award to the best presenter)
3. Student Attendee
4. Group registrations

For Business Delegates:

1. Speaker Presentations
2. Symposium hosting
3. Book Launch event
4. Networking opportunities
5. Audience participation

For Companies:

1. Exhibitor and Vendor booths
2. Sponsorships opportunities
3. Product launch
4. Workshop organizing
5. Scientific Partnerin
6. Marketing and Networking with clients
