

3rd International Conference on Addiction & Psychiatry

Editorial Note

We had a huge success with the 3rd International Conference on Addiction & Psychiatry, Webinar scheduled on August 13-14, 2020.

The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their knowledge, research work, technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world.

This has been organized with the aim to the corporate community and to create a platform for the exchange of information on technological developments, new scientific modernization and the effectiveness of various regulatory programs towards Addiction 2020. The conference was organized around the theme “Battling Addiction & Recovery Science Online”. The congress entrenched a firm relation of future strategies in the field of Addiction & Psychiatry.

We would like to thank
