Editorial Note

I am Happy to announce that the Journal of Lung is a journal and that gave me opportunity to bring forward the achievements of the journal in the year 2018. As we know that IPJL is the newly coined journal, it is under development and growing fast to be indexed by various indexing agencies. The entire issue was published by IPJL at the time and the preprints were also released and dispatched online within 30 days after the article was published online. IPJL accept all types of articles, including Research papers, case studies, review papers, brief commentaries, mini analysis etc. on Lung disorders.

Journal of Lung is an open-access Peer-Reviewed journal that seeks to publish the latest and excellent research papers, reviews and letters in all Lung disorders. Submissions will be assessed on their scientific validity and merit.

The journal accepts original research and concepts by researchers from all over the world. We hope that the researchers will enjoy a perfect platform to demonstrate the importance of their research work by publishing in this journal. I take this opportunity to thank imedpub group of publications for its mission in making the journey to take this on-line publication of the journal to a global audience. I believe that this journal will serve the scientific community better. I wish to encourage our scientific community to contribute their original research from to facilitate a continued success of the journal. I would also like

to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of IPJL, for their support in bringing out yet another volume of IPJL and look forward to their unrelenting support.

We know how much time and effort goes into writing a good peer review, and we deeply value the input of reviewers who volunteer their time and expertise to provide essential feedback that ensures the high quality of research published in each issue of the journal. We appreciate our peer reviewers for taking the time and effort necessary to provide insightful guidance, and we try to show our appreciation to our reviewers. Each year we send letters recognizing the efforts of our best reviewers.

IPJL is a high-quality journal devoted to the management of time and completes all the work on writing any article in a given period of time. As the cumulative time span of every article to be published online is 45 days from the date of receipt. The time is taken from 4 to 5 weeks for various processes such as quality check, peer review, processing of article. Quality checks and peer review processes complete within 14 days and the time period for the publication is only 7 days after acceptance of the article by reviewers and editors.

Finally, I would like to welcome you, our readers to this promising new journal of IPJL. Hope you will find amiable reading and challenging ideas from this journal. Happy and pleasant reading!
