

Announcement: 6th European Otolaryngology Ent Surgery Conference, Paris, France on March 24-25, 2021

We are happy to announce the 6th European Otolaryngology Ent Surgery Conference scheduled to be held in Paris, France on March 24-25, 2021.

The theme for the Neurosurgery Congress is “Current issues and Research updates in diagnosis and treatment of ENT disorders”. ENT 2021, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

ENT conference 2021 focuses to create a medium to connect eminent personalities from different backgrounds of ENT including Otolaryngology, Rhinology and Sinusitis, Audiology, Pediatric Otolaryngology, Tinnitus, Nasal Disorders, Head, Neck and Oral Oncology and so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The scientific contributions towards our France ENT conference are welcome in the form of oral, video, poster presentations/workshops and seminars/ networking ses-

sions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe ENT 2021 conference to attain greater heights and success.

ENT 2021 initiated by Editors - Journal of Tumour Research this discovery will offer you an unforgettable experience in exploring new opportunities. Journal of Tumour is one of the best open access journals that aims to publish the most complete and reliable source of information on discoveries and current developments in the mode of original articles, review articles, case reports, short communications, etc. in this field and provide online access without any restrictions or subscriptions to researchers worldwide.

ENT 2021 welcomes all the professionals, professors, students, research enthusiasts, business delegates to venture into complete Divine experience at Paris, France on March 24-25, 2021.
