

Announcement of 17th International Conference on Food Microbiology, London, UK on August 24-25, 2022

We are happy to announce the 17th International Conference on Food Microbiology scheduled to be held in London, UK on August 24-25, 2022.

The theme for the Food Microbiology-2022 is "Accelerating Research and Innovation in Food Microbiology". Food Microbiology 2022, a two-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

Food Microbiology 2022 focuses to create a medium to connect eminent personalities from different backgrounds of Food Microbiology, Microbial Ecology of Foods, Microbiology of Fermented Foods and Beverages, Risk Assessment and Risk Management, Food Borne Diseases and Prevention, Food Safety and Quality, Uses of Microorganisms in Food, Food Mycology and so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The scientific contributions towards our London Food Microbiology-2022 conference are welcome in the form of oral, video, poster presentations/workshops and seminars/ networking ses-

sions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Food Microbiology 2022 conference to attain greater heights and success.

Food Microbiology 2022 initiated by Editors - Journal of Food Processing & Technology this discovery will offer you an unforgettable experience in exploring new opportunities.
