With immense pleasure and great honour we would like to invite you to attend the “6th Global Summit on Nursing Research and Health Care”, which is scheduled on Aug 29-30, 2022, in Toronto, Canada. It is focusing on the theme “Current Advancement on Nursing Research for Better Health Care” to enhance and explore knowledge among academics and industry personnel dealing with pharmacy, pharmacology, and its related subjects to establish corporations and exchange ideas. Nursing Conference will be a global event focusing on the core knowledge and major advances in the rapidly emerging fields of Nursing Research and Health care by attracting experts and professionals globally. Longdom organises leading international conferences and webinars and is instrumental in bringing together experts and beginners for cooperative and effective research-oriented discussions. The goal of Longdom conferences is to bring together scientists at every level from different disciplines to understand and discuss during programmed topic sessions and informal gatherings.. Besides invited speakers, many speaker slots are chosen from submitted abstracts to ensure good representation of those who are new to the field, young investigators, and recent results. Contact us and we'll connect you with the right subject expert from our vast network of experienced operation professionals worldwide. Longdom conferences also, encourage bright minds with special awards and certifications which are categorized to best speaker talks, best abstract, best poster award, outstanding young researcher award and the house of delegate awards. Winners of the awards will be considered to have presented an original scientific or technical study investigating a novel application or an innovative research approach, of a standard suitable for publication at an international level.

We encourage you to have a look on our official website and submit your speech abstract as the earliest, so that we can reserve your slot. Website: <https://www.longdom.com/nursingresearch>
