

Announcement: Webinar on Otolaryngology December 12, 2020

We are happy to announce the Webinar on Otolaryngology scheduled to be held on December 12, 2020.

The theme for the Webinar on Otolaryngology is “Exploring the Advancements in Otorhinolaryngology”. Otolaryngology Webinar, a one-day meet, aims to accumulate ardent minds ranging from frontiers to novices to discover, explore and create prospects to gain a greener, safer and cleaner tomorrow.

Otolaryngology webinar focuses to create a medium to connect eminent personalities from different backgrounds of Otolaryngology including Rhinology, Rhinoplasty, Ear Disorders, Laryngopharyngeal Reflux, Sinusitis, Audiology, Pediatric Otolaryngology and Tinnitus so on. This not only helps to spark new research ideologies but also craft a network of high profile and skilled people to protect the future.

The scientific contributions towards our webinar are welcome in the form of oral, video, poster presentations/workshops and

seminars/ networking sessions/ exhibits. These tracks are designed to reveal and augment the expertise of the attendees.

We truly believe Otolaryngology Webinar to attain greater heights and success.

Otolaryngology Webinar welcomes all the professionals, professors, students, research scholars, dentists, business delegates to venture into unforgettable experience.
