

World Summit on Genetics and Genomics

Higinio T. Mappala

Full-time Medical Specialist IV and Administrator, Jose Reyes Mem. Medical Center, Manila, Philippines, E-mail: genemapmd@yahoo.com

Expert Level (Scientific Service Achievement Award) in Genetics and Genomics 2020

The award to the specialists who have made extraordinary contributions to progressing in [Genetics and Genomics](#). It is the most renowned honour of the whole conference and is tagged as scientific service Achievement award. The qualification criteria for achieving this award is that one should have at least 20+ years of experience in the relative field in public or private sector. The receiver of this honour should have a devoted interest and should take initiative in inquiring about the on-going trends and advancements towards the [related subjects](#). You can nominate deserving of the award through online.

Professional Level (The Research Contribution Award) in Genetics and Genomics 2020

The Award for professional or academic research activity acquired in [Genetics and Genomics](#) research field in the public or private area for specialists having research knowledge at 10+ years in the field of Genetics and Genomics with most relevant achievements. Part-time research experience would be counted as pro-rata. It is determined beginning from the date when you got the (first) degree qualifying you to embark on a doctorate (either in the nation where the degree was acquired or in the nation wherein the specialist is enrolled), regardless of whether a doctorate was never begun or envisaged. You can nominate deserving of the award through [online](#).

Scholar Level (The Upcoming Researcher Award) in Genetics and Genomics 2020

The meeting offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of [Genetics and Genomics](#). Our meeting would like to provide best stage to grow your network by sharing your research knowledge at the platform. Presentation includes 25-30 minutes of oral talk on the scientific research topics dependent on the theme of the conference along with 5 minutes board talks. You can nominate deserving of the award through web.

Women Scientist (The Women of Science Award) in Genetics and Genomics 2020

Our Conference provides a unique platform for women

scientists for giving most recent research projects with an in-depth analysis. We genially welcome women scholars and scientists from Universities/ Industries who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women Scientist can choose meriting of the award through web.

Outstanding speaker in Genetics and Genomics 2020

This award is recognizing for individual who will present their projects, strategies, and plans that have been implemented to improve long-term excellence in [Genetics and Genomics](#). You can choose meriting of the award through online.

Best Keynote Speaker in Genetics and Genomics 2020

This award is recognizes for best Keynote speaker who will present their projects, procedures, and schemes that have been executed to improve long-term excellence in [Genetics and Genomics](#). If you were affirmed as keynote presenter from the program manager, you can nominate someone deserving for the award through online

Best Poster Presentation in Genetics and Genomics 2020

Student Poster Competition is organized at Conference, to encourage students and recent graduates to introduce their unique research. All accepted abstracts will be displayed at the [poster sessions](#) during the meeting. Conference Series aims at setting a stage for all the budding scientists and researchers to present their real-time work and share their perspectives and aspects related with the topic of the meeting. You can nominate someone deserving of the award through online.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in Genetics and Genomics 2020

This award is recognizing for Masters/Ph.D./Post Doctorate thesis work presentation who will present their projects and thesis that have been executed to improve long-term excellence in the field of Genetics and Genomics. You can

choose meriting of the award through online.
