

Awards 2020 Content on International Conference on Advancement in Applied Microbiology

Pr. El Hadji Seydou Mbaye

Professor, International Agency for Research on Cancer, World Health Organization, Lyon, France, E-mail: seydou27@hotmail.com

The organising committee members of Advancement in Applied Microbiology diseases have finally revealed the theme for **APPLIED MICRO 2020** conference and it is going to be **"Exploring new advancements in microbiology and rare infections"** Conference Series and the organising committee of **APPLIED MICRO 2020** acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of Pathology, Infectious diseases, Microbiology, Virology and has decided to introduce various achievement awards for all the participants. conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at **APPLIED MICRO 2020**

Expert Level (Scientific Service Achievement Award)

Expert Level: The award is meant to the experts who have made exceptional contribution in the field of **Microbiology**. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public/private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

Professional Level (The Research Contribution Award)

The distinguished **"Research Contribution Award"** at **Professional Level** will be awarded by the Organizing Committee of **APPLIED MICRO 2020** to the participants of

World. The award will be presented for outstanding scientific achievement or service to the discipline of **Microbiology**. The eligibility criteria for achieving this award is that one should have research knowledge minimum of **10+ years of experience** in the relative field of **microbiology**.

Scholar Level (The Upcoming Researcher Award)

Advancement in Applied Microbiology offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of **microbiology and rare infections**. **APPLIED MICRO 2020** conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.

Deserving nominees can be awarded online as well.

Women Scientist (The Women of Science Award)

APPLIED MICRO 2020 provides a unique platform with **"Women of Science Award"** for women scientists for presenting latest research projects with an in-depth analysis. Rehabilitation Medicine 2020 invites Women scholars and scientists from **microbiology and rare infections** fields. The committee encourages women scientist's through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. The eligibility criteria for achieving this award is that one should have research knowledge minimum of **10+ years of experience** in the relative field of **Pathology, microbiology and rare infections**.

Outstanding speaker and Best Keynote Speaker in APPLIED MICRO 2020

The award **"Outstanding speaker"** is offered by the **APPLIED MICRO 2020** congress to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence in

microbiology and rare infections The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field of **microbiology and rare infections**

The award “**Best Keynote Speaker**” is offered by the [APPLIED MICRO 2020](#) congress to the individual who delivers the projects, strategies, and schemes that have been implemented to improve long-term excellence in **microbiology and rare infections**.
