Conference Series LLC fosters research excellence and leadership by recognizing the outstanding researchers, exceptional graduates or early academicians who have distinctive enthrallment towards the conference themes. Nominees are judged on past accomplishments, research excellence and outstanding academic achievements. Researchers throughout the world who have been credited with outstanding achievements can make a significant contribution to the advancement of their field, thereby having a positive influence on the society.

To provide a strong professional development opportunity for early career academicians-meeting experts awards in different categories are announced such as Expert Level which will be presented to the expert researchers who have done exceptional work in the field of [Plant Science](#). The award is considered the most distinguished award for who is passionate towards their work, willing to innovate and accept the aberrations happening in the research area with the introduction of recent trends. Followed by Professional Level which is termed as The Research Contribution Award for who should be hard working, diligent, focused and devoted to the specific field of interest. Next is the Scholar Level which will be presented to upcoming researchers and scientists in their respective field (Plant Science) who bring new technologies and innovations to their work according to the new trends in their field.

To encourage Women scientists and researchers by providing a platform where they can present their work and passion towards their research Women Scientist Award will be presented which is also termed as The Women of Science Award. To acknowledge the speakers with great presentation skills, influential research work and long term excellence Outstanding Speaker Award will be presented. Best Keynote Speaker Award will be presented to the keynote speaker who adds an extraordinary feel to the conference by their distinguished research work, projects and strategies that will provide a new trend in the field of Plant Science. Best Poster Presentation award will be presented to the research design which should be appropriate and transparent. Factual information should be kept separate from interpretations or implications. This award is given to encourage students and recent graduates to present their original research. The one who presents best thesis work will be awarded with Outstanding Masters/Ph.D./Post Doctorate thesis work which has been implemented to improve long-term excellence in the field of [Plant Science](#).

These awards are a tribute to the men and women who have contributed to the progress of humanity through their

dedication to science. Serving as a source of inspiration, the awards help to raise the profile of talented individuals in addition to the profession as a whole.

Dermatology 2019 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the field of Plant Science. Oral presentation was given by Habib Ahmad, Islamia College Peshawar, Pakistan on “Development of improved seed: Maximization and commercialization of Hasnain-2013 a high yielding rapeseed variety, Adamu Muhammad, Kebbi State University of Science and Technology, Nigeria on “Response of potato (*Solanum Tuberosum* L.) varieties to planting dates in Semi-arid lowland Nigeria” and Anna Nadolska-Orczyk, Plant Breeding and Acclimatization Institute-National Research Institute, Poland on “Cooperation of TaCKX genes in regulation of growth and productivity of wheat (*Triticum aestivum* L.)”.

8th Global Summit on Plant Science is going to be held at London, UK on September 25-26, 2020. The conference will serve as a platform to bring together leading plants with different specialties. Plant Science 2020 will discuss on the topics such as Plant Tissue Culture and Plant Biotechnology, Plant Genetics and Epigenetics, Plant Breeding and Molecular Breeding, Plant Pathology and Plant-Microbe Biology, Nanotechnology and Plant Sciences and Medicinal and Aromatic Plant Sciences

Global Plant Science Conferences going to be held during January, 2020 to December, 2020 at various cities in Europe (London, Barcelona, Madrid, Valencia, Rome, Milan, Berlin, Frankfurt, Vienna, Zurich, Dublin, Edinburgh.... And Many More..!!!
