

## AWARDS 2020 ON BIOTECHNOLOGY 2020

### Ales Prokop

Visiting Scholar in Chemical and Biomolecular Engineering, Vanderbilt University, USA, E-mail: [ales.prokop@vanderbilt.edu](mailto:ales.prokop@vanderbilt.edu)

#### Best Poster Presentation in Biotechnology 2020

Best Poster Competition is composed at Conference, to empower understudies and late graduates to exhibit their unique research. Every acknowledged theoretical will be displayed at the publication sessions during the gathering. Euros icon targets setting a stage for all the growing researchers and specialists to display their on-going work, offer their perspectives and angles identified with the subject of the gathering. You can choose somebody meriting for excellence work and research work the honour through on the web.

#### Outstanding Thesis

This honour is recognizing for Masters/Ph.D./Post Doctorate proposal work Presentation who will show their undertakings and postulation that have been actualized to improve long haul greatness in the field of Biotechnology. Recognizes associations working cooperatively on driving edge atmosphere activities. Organizations have all in all settled targets to quantifiably address of Biology decrease objectives as well as adjustment and flexibility activities. You can designate meriting the honour through on the web. You can nominate someone deserving of the award through online.

#### Best Keynote Speaker

Best Keynote speaker award for who will exhibit their ventures, techniques, and plans that have been actualized to improve long term greatness in Biology Sciences. Who have done all the difficult work behind the scene. It will be a little applauding their devotion and difficult work. if you were confirmed as keynote presenter from the program manager, you can choose somebody meriting the honor through on the web.

#### Outstanding Speaker

Biotechnology congress will offer model speaker grant to those specialists who have made noteworthy commitment towards the gathering subject during their examination period just as exhibited the exploration point in an amazing manner in the oral introduction during the summit. It will be an able thankfulness from the Jury just as from the representatives. The honor they get will persuade them to walk forward with the exploration work.

#### Women Scientist

Our Conference provides a unique platform for

women scientists for presenting latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries/ Associations to who has decade of research experience to join the forum is to appreciate research work of the budding young researcher who is continuing their research work to create a better society. The award will provide them a tremendous amount of encouragement to keep moving forward. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women Scientist can nominate deserving of the award through online.

#### Professional Level

The Award for professional or academic research activity acquired in Biological and Molecular biology research field in the public or private sector. Offered for outstanding presentation considering every presenter of the conference, which is the most inspiring, effective and professional in the field of Biology and Molecular biology with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award through online.

#### Expert Level

The award to the experts who have made outstanding contributions to advancing in Biological. It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The eligibility criteria for achieving this award is that one should have minimum of decade of experience in the relative field in public or private sector. Idea of encouraging for more active involvement for the betterment of the industry as a whole. The concept shall motivate you to achieve more which will in turn benefit the industry and could lead towards a policy implementation in nurturing for a fruitful tomorrow. who have spent a considerable time of their academic life towards the research related to conference topic. The receiver of this award should have a dedicated

fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award through online.

#### Scholar level

The conference offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Biology. They have their own comprehensive addressing biotechnology and engaging their organization, peers, and partners demonstrate they are at the leading edge of managing Biotechnology in their organizational supply chains. It takes into consideration factors such as the whether the presentation is impactful, and whether the speaker is inspiring and authoritative. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions. You can nominate deserving of the award through online.
