

Awards 2020 on Potential Meets Opportunity

Vineet Alex, Rubber Technology Centre, India, **E-mail:** vinetalex@gmail.com

The Conference Series LLC Ltd. shall recognize those who contribute to and support the purposes of the healthcare professionals in the successful commencement of event in an exceptionally worthy manner. This excellence awards is organized with the intention of valuing our healthcare professionals, General practitioners, nurses, pharmacists, and practice managers, leaders in healthcare and clinical teams who are making an outstanding contribution in the field of medicine and healthcare.

The concept of awards shall motivate the researchers and clinicians to achieve more which will in turn work towards the betterment of society. The evaluation committee and the Conference Chair will assess the awards with information that includes description/purpose, eligibility, and presentation and the highest scoring presentations shall be recommended for the awards.

We take the privilege of hosting the 2nd International Conference on Biochemistry with valuable support of Scientific Committee Members at Cape Town, South Africa during October 29-30, 2020 with the theme "Emphasizing the global approaches in the field of Biochemistry" in association with Immunology Association and Immunology media. Immune Response 2020 welcomes the Heads, Deans and Professors of Immunology/Virology departments, Scientists and Researchers organizers, Health-care Professionals, Doctors, Medical Colleges, Healthcare professionals, Founders and Employees of the related companies, Clinical investigators, Hospitals and Health Services, Pharmaceutical companies to be a part of it.

Biochemistry Meet 2020 grants for exceptional presenters of the conference, which is the foremost effective, inspiring, proficient and are conveyed through an impactful and authoritative presentations. This Heart Rhythm congress focus on advanced research works and in-depth knowledge of the disorder by conducting numerous Symposiums, Workshops, Poster Presentations and various summits for the participants from all over the globe.

Biochemistry Meet 2020 Awards serve several purposes:

- (1) They are an expression of recognition for outstanding contributions in the field of Immunology and Virology
- (2) They are an incentive to youth to surpass excellence

Award Categories:

Expert Level:

The award to the experts is given who have made outstanding contributions in the field of advancing in

Vaccines. It is the most prestigious award of the whole conference and is tagged as scientific Achievement award. The eligibility criteria for achieving this award is that one should have minimum of 20+ years of experience in the relative field in public or private sector. The person who is given this award should have a dedicated fascination and should take initiative in researching the recent trends and developments towards the related subjects. You can nominate deserving of the award through online.

Professional Level

They inaugurate a conference. The Organizing committee is one of the primary responsibilities for every conference organizer. For a small, straightforward academic or research event, a conference organizing committee may be made up of more than five members. The Committee members are ones who is having a good knowledge of the event management plan, are well placed to provide training, supervision and assistance to other personnel involved in the organization of the event. Ideally the organizing committee involves people with skills, sound knowledge and experience in the respective areas. Organizing committee includes things other than the achievements that will be an improvement for the participants and volunteers that support the activity.

Scholar Level:

The Young Researchers Forum provides the possibility to meet and deliberate research topics and methodologies to promote and develop ideas, learn and gain knowledge from Key investigators at the conference. The forum will offer an opportunity for collegial interaction with other young investigators and established senior investigators across the globe.

The YRF forum competition is to encourage Young researchers / students to present their research works. Therefore, all presenters are encouraged to give comprehensive and dynamic talks based upon their research work. All YRFs will present their research works during the conference and the best presenter will receive the best YRF award from Honorable Chair. These oral presentations should be of 10 minutes period in related scientific track tailed by 5 minutes question hour.

Women Scientist

Our Conference provides a unique platform for women scientists for presenting latest research projects with an in-depth analysis. We are glad to cordially invite women scholars and scientists from Universities/ Industries to our conference who have 10+ years of research experience to

join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. The Women Scientists can nominate deserving of the award through online.

Outstanding speaker

The outstanding Speaker Presentation Awards are presented to recognize individuals who have made implemented an idea or innovative approach to encourage active involvement for the betterment of the field as a whole. The award should motivate individuals to strive to realize their fullest potential which could in turn be beneficial. The Epic works done by them are not only a testament to the individual's efforts, but they also have the potential to change the whole world as they can lead to formulation of better policies and or a new mind set.

Best Keynote Speaker

Keynote speeches are usually based on the speaker's perspective of future advancements and experiences. They are the ones who can influence people in different ways. The most important factor for keynote message is audience engagement, innovative ideas for the betterment of health conditions in society, someone who captures the essence of your meeting and can subsequently highlight it to your audience in a short amount of time, weaving the key message that you want the audience to take away with them, into their speech in a fun and memorable way

Best Poster Presentation

The best Poster presentations are very important ways of sharing significant research and deserve recognition. The poster presented gives a framework to visually summarize your work, to engage others in discussions, and an opening to entice others to learn more by reading the full paper. The poster awards for students will acknowledge work that best represents the purposes, goals, vision and adds new knowledge, contributes innovative research, and/or provides insightful contribution to the field by a bachelor's, master's or doctoral student.

Outstanding Thesis

The recognition of this award resembles to a person's outstanding contribution for a particular period. These contributions may be an innovation, new knowledge, or ways to improve professional practice based upon the research works. Importantly, the contributions towards the presentation should have a long-lasting impact upon the audience for an interactive session.

Women Scientist:

Our Conference provides a unique platform for women scientists for presenting latest research projects with an

in-depth analysis. We are glad to cordially invite women scholars and scientists from Universities/ Industries to our conference who have 10+ years of research experience to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. The Women Scientists can nominate deserving of the award through online.

Outstanding Thesis:
