Outstanding paper will be selected among all the presentations at the conferences, evaluated by the expert committee. Maximum 3 presenters will be awarded based on the score evaluated by the expert committee.

Eligibility

The Hilaris Outstanding Speaker Award is for the entire presenter participating in Oral Presentation Sessions of [Trauma, Emergency Medicine & Critical Care 2020](#) Conference. There will be a speaking slot of maximum 25 minutes which will be evaluated by the review committee. The presenting author should be the first authors and supporting authors should not have any objection over the data and information to be presented.

Basis for Judging

Contributions are demonstrated through technical originality, ways of presentations, Quality of Research, Presentation clarity based on the abstract, Novelty of Research, Uniqueness of research methodology, innovative ideas, Impact of the research in the field and future extended scope of the research including practical viability of the R&D in terms of product development.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by colleagues and/or head of the institutions.

Presentation

This award will be presented at [Trauma, Emergency Medicine & Critical Care 2020](#) Conference, September 17-18, 2020; Rome, Italy.

Prize

We will recognize the awardee(s) with a memento, & Certificate of Appreciation followed by special incentive for the next chapter of the conference.

6. Hilaris Best Poster Award (Student & Faculty)

Hilaris Outstanding Speaker Award is to recognize best research poster presented at the [Trauma, Emergency Medicine & Critical Care 2020](#) Conference. This Award seeks to encourage and motivate Researchers, Research scholars, and Faculty members for their dedication and achievement in the field.

Eligibility

The Hilaris Outstanding Speaker Award is for the entire presenter participating in Poster Presentation Sessions of [Trauma, Emergency Medicine & Critical Care 2020](#) Conference. The posters will be evaluated by the expert panel. The presenting author should be the first authors and supporting authors should not have any objection over the data and information to be cited in the poster.

Basis for Judging

Posters will be evaluated based on the parameters such as; Clarity, Originality, importance and timeliness, organization of written material, lucidity, conciseness, future scope of the research, practical viability of innovation and ability to answer the questions put by the review panel.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by colleagues and/or head of the institutions.

Presentation

This Best Poster Award will be presented at [Trauma, Emergency Medicine & Critical Care 2020](#) Conference, September 17-18, 2020; Rome, Italy.

Prize

We will recognize the awardee(s) with a memento, & Certificate of Appreciation.

7. Hilaris Outstanding Student Thesis Award

Hilaris Outstanding Student Thesis Award seeks to recognize the best Graduate theses (Masters/Ph.D./Post Doctorate) in the topics covered under the scope of the [Trauma, Emergency Medicine & Critical Care 2020](#) conference. This awards aims to encourage the young scholars to achieve excellence in the field of Research & Innovation.

Eligibility

To be considered for the Hilaris Outstanding Student Thesis Award, the scholar must have defended the thesis maximum two years prior to the [Trauma, Emergency Medicine & Critical Care 2020](#) Conference. The thesis should be recommended by the project or thesis supervisor and there should not be any conflicts of interest among the co-researchers. Also, there should not be any issue with related to the disclosure of data or information.

Basis for Judging

Overall quality of research, novelty of problem statement, research output in terms of publications and patents including future scope of the research.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by thesis supervisors/or head of the organization.

Presentation

This Best Poster Award will be presented at [Trauma, Emergency Medicine & Critical Care 2020](#) Conference, September 17-18, 2020; Rome, Italy.

Prize

We will recognize the awardee(s) with a memento & Certificate of Appreciation.
