The conference was initiated with a heat welcome note by Honorable guests and also the Keynote forum. The proceedings went through interactive sessions and panel discussions

Conference Series llc LTD has taken the privilege of felicitating Euro Genomics 2019 Organizing Committee, Keynote Speakers UN agency supported for the success of this event. Conference Series llc LTD, on behalf of the Organizing Committee congratulates the most effective Poster awardees for his or her outstanding performance within the field of genetic science & Pharmacogenomics and appreciates all the participants UN agency place their efforts in poster shows and sincerely desires them success in future endeavours.

We are duty-bound to varied delegate specialists, company representatives and different eminent personalities UN agency supported the conference by facilitating active discussion forums. We tend to sincerely give thanks the Organizing Committee Members for his or her gracious presence, support, and help towards the success of Euro Genomics 2019.

With the unique feedback from the conference, Conference Series llc LTD would like to announce

“Once again it is an honour to welcome you all to the upcoming 2nd International Conference on Genomics and Molecular Biology scheduled on November16-17 in Lisbon, Portugal.”

Tips to get your Visa

Visa applications are currently subject to a greater degree of scrutiny than in the past. Many applicants may be required to appear in person for an interview as a part of the visa process. Applicants affected by these procedures are informed of the need for additional screening at the time they submit their application and are being advised to expect delays. Therefore, attendees should be advised to apply no later than 3 months prior to the conference.

Conference series LLC Ltd guidelines for providing visa letters are as follows:

Visa letters should only be issued to:

People the committee knows

Speakers/Presenters

Committee members

Attendees who have paid their registration fee in full or as decided by the committee members

Visa letters should state the following facts:

Conference title, dates and location

That the requester has paid the required registration fee in full

Verify that the credit card clears before providing letter

If they are either a committee member, speaker or presenter

To simplify the request process for the attendees and organizers you need to request for visa letters for the conference once you are done with registration. Official invitation letter along with payment receipt will be mailed to you within 24-48 hours of your confirmation.

For any queries feel free to send us an email at contact@europemeet.com and we shall assist you with more information...

Learning Objective

Participation in Genomics 2020 will provide all attendees with opportunities to hear and discuss:

Cutting edge ideas

Technology solutions

Innovations

New strategies
