

Clinical Nursing 2020 Awards

Priya Shetti

Assistant Professor, Utkal University, Bhubaneswar, India, E-mail: priyashetti.6@gmail.com

We are happy to announce our “**21st International Conference on [Clinical Nursing and Practice](#)**” (*Clinical Nursing 2020*) which is scheduled during **March 23-24, 2020** at **Singapore**. This Conference focuses around the theme “**Advances and Challenges in Clinical Nursing Practice.**” The significance of this gathering is to upgrade medical caretakers' learning in regard to progresses in the care and treatment of people with [Clinical Nursing](#) and [Nursing Practice](#).

The extent of [Clinical Nursing](#) and Practice envelops clinical practice, training, counsel, research, and organization. Nursing is centered on the care of people, families, gatherings, and groups in danger for or with an analysis of illnesses. In the [Clinical Nursing](#) and Practice field, the medical caretakers need a comprehension of Nursing Care and Health Care.

We acknowledge the devotion and overwhelming works in all academic and research fields. Clinical Nursing and Practice conference encourages and motivate scholars, researcher and academicians by giving Global Best Researcher Awards along with other individual awards in all academic specialties and categories. These Awards involves prestigious Award Certificate and Memento.

The best presentation is not only a witness to the individual's diligence, but they also have the potential to change the whole realm as they can take the advantage to create better strategies and or a new approach. And the awards are provided to recognize the participants who have made brilliant contributions to the field and to support active commitment for the advancement of the field.

The marks provided by the Scientific committee and the Congress Chair will be used to choose the attendee of these awards, and works with the top Scores that shall be suggested for the following awards:
