

Conference Announcement for Trauma, Emergency Medicine & Critical Care 2020

John J Kelly

Emergency Medicine Physician, Einstein Medical Center, Philadelphia, USA, E-mail: kellyj@einstein.edu

We are pleased to announce that the **Trauma, Emergency Medicine & Critical Care** will be held from **September 17-18, 2020** at Rome, Italy.

The aim of the conference is to bring together researchers and professionals from academia and industry which are active in the study of emergency medicine and Critical care as well as their application to real-life problems.

Trauma, Emergency Medicine & Critical Care Conference lectures will cover a wide range of topics and a special lecture will be given by a representative of the Emergency health Professionals of world.

The program will be complemented by several minisymposia, contributed talks and a poster session, workshops, that aims to cover most of the many different applications of Emergency Medicine and critical care.

The conference will host a special critical care Session allowing the participation of Doctors, Nurses, Pharmacists, academician's researchers and students.

The web page of the conference <https://www.hilarisconferences.com/emergencymedicine> is ready with information and deadlines. In particular, from 1 November 2019 it will be possible to propose thematic minisymposia, talks and posters. The submission deadline for the early bird is 30th December 2020.

We offer the following types of participating categories:

- **Speakers:** This officially involves all individuals related to the fields of Trauma and Emergency Care, who have submitted their abstracts and are accepted after proficient peer review. All Doctors, Surgeons, Scholars, Health professionals, Clinical Therapists, Nursing Professionals, PhD are capable candidates (with unique abstracts) to participate as Speakers.
- **Delegates:** Individuals from or outside the field of Trauma and **Critical Care**, interested to learn, interact with experts and spread awareness on methods learned to combat Emergency are accepted as Delegates.
- **Students/Young Researchers:** Scholars and researchers pursuing their work or study in the field of **Emergency & Advanced Health Care** are capable of applying under this

category. They are allowed to publish their abstract, speak on them and also opt for poster presentations on their unique work.

- **Video Presenters/E-Posters:** Individuals interested to attend but unable to come at the city venue are offered this option to present their unique work and research at our conference.

- **Business:** Companies, Associations, Universities, Hospitals and Societies strictly from the field of **Trauma & Critical Care**, willing to recruit excellent young candidates participating, present their work and contribute to increase awareness about Emergency and its treatment are welcomed to join us at our conference.
