

Editor Note on Journal of Clinical and Molecular Pathology

Dear Readers

I am Pleased to mention that during the year 2019, all issues of Journal of Clinical and Molecular Pathology, Volume 3 were published online well within time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. The objective of JCMPY is to publish up to date, several important topics such as research and academic community dealing with critical medical issues. Impact factor of JCMPY for year 2018 – 2019 was

As such, the journal aspires to be vibrant, engaging and accessible, and at the same time challenging. Each Issue of journal contains different types of papers, mostly the first, Regional spotlight; provides a short contemporary on field of Market Analysis on Nursing care an issue in the field if Clinical an Molecular Pathology. The second , provides reviews on bacterial Diseases. The third paper related to Awards announcements on the Bacterial Diseases on Nursing.

I take the opportunity to acknowledge the contribution of David A. Novis,during the final editing of articles published and the support rendered by editorial assistant, in bringing out issues of JCMPY in time. I would also like to express my gratitude to all authors reviewers, and publishers, the advisory and the editorial board of JCMPY, the office bearers and staff

for their support in bringing out yet another volume of JCMPY and look forward to their unrelenting support to bring out the volume 4 of JCMPY in scheduled time.
