

Editor Note

Dear Readers

I am pleased to mention that during the year 2019, all issues Research Journal of Nervous System, volume 3 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. The objective of IPRJNS is to publish up-to-date, high-quality and original research papers alongside relevant and insightful reviews.

As such, the journal aspires to be vibrant, engaging and accessible, and at the same time integrative and challenging. Each issue of the journal contain different types of papers. Research Journal of Nervous System is an international open access peer reviewed that publication encourages the latest research advancements in the field of Nervous System. The journal encourages advancements in the above mentioned fields in the form of Original articles, reviews, short communications, rapid communications, letters to the editor, abstracts, addendums, announcements, article-commentaries, book reviews, annual meeting abstracts, calendars, case-reports, discussions, meeting-reports, news, orations, product reviews, hypotheses, and analyses.

I take this opportunity to acknowledge the contribution of Dr. Xiaoping Ren during the final editing of articles published and the support rendered by the editorial assistant, in bringing out issues of IPRJNS in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of IPRJNS, the office bearers and staff for their support in bringing out yet another volume of IPRJNS and look forward to their unrelenting support to bring out the Volume 11 of Research Journal of Nervous System in scheduled time.
