Award 2020 of Global Summit on Healthcare & Life-Science Research

The organising committee members of [Global Summit on Healthcare and Life Science Research](#) have finally revealed the theme for this year and it is going to be *"to witness in valuable scientific discussions and contribute to the future innovations in the field of Healthcare and Life Science"*. Conference Series and the organising committee of Nutrition-2020 acknowledge the efforts and contribution of scholars, researchers, academicians, and scientists in the field of [Nutrition-2020](#) and have decided to introduce various achievement awards for all the participants. Nutrition-2020 conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at Nutrition-2020.

Expert Level (Scientific Service Achievement Award)

Expert_Level: The award is meant to the experts who have made exceptional contribution in the field of [Life Science Research](#). This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

Professional Level (The Research Contribution Award)

The distinguished **"Research Contribution Award"** at Professional Level will be awarded by the Organizing Committee of [Nutrition-2020](#) to the participants of [Nutrition-2020](#) discipline of [Life Science Research](#). The eligibility criteria for achieving this award is that one

should have research knowledge minimum of **10+ years of experience** in the relative field of Nutrition-2020

Scholar Level (The Upcoming Researcher Award)

[Global Summit on Healthcare and Life Science Research](#) offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of nursing. Nursing and midwifery conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.
