Editorial

I am pleased to mention that during the year 2019, all issues of volume 6 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

All published articles of this journal are included in the indexing and abstracting coverage of Google Scholar, Genamics JournalSeek, China National Knowledge Infrastructure (CNKI), CiteFactor, Directory of Research Journal Indexing (DRJI), IndianScience.in, Jour Informatics, CiteSeerx, American Standards for Journals and Research (ASJR), InfoBase Index, Secret Search Engine Labs

During the calendar year 2019, IPAPP received a total of 20 papers, out of which 5 articles were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 18 articles were subjected for publication after they are accepted in the peer review process. In the 3 issues of Volume 6 published during the year 2019, a total of 18 articles were published (at an average of 5 articles per issue) of which, articles were published from authors all around the world. A total of 78 research scientists from all over the world reviewed the 18 articles published in volume 7. Average publication lag time of an article was further reduced to 2-3 weeks.

American Journal of Pharmacology and Pharmacotherapeutics also announces its new association with Imedpub group for Archiving, Journal maintenance, financial purpose and support. However the journal will be running its original website <https://www.imedpub.com/pharmacology-and-pharmacotherapeutics/editors.php> HYPERLINK "<https://www.imedpub.com/pharmacology-and-pharmacotherapeutics/editors.php>parallel"parallel for Editorial and review work process so as to maintain its highest standard of scientific work.

I take this opportunity to acknowledge the contribution of Editor-in-Chief: Lulsetto Mauro (China), Javad Sharifi-Rad (Iran) and Associate Editors, during the final editing of articles published and the support rendered by the editorial assistants. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of IPAPP, the office bearers for their support in bringing out yet another volume of IPAPP and look forward to their unrelenting support to bring out the Volume 7 of IPAPP in scheduled time.
