

## Editorial Note for Journal of Immunology and Immunotherapy

I am pleased to mention that during the year 2017, all issues of volume 1 were published online well within the time and the print issues were also brought out and dispatched within 30 days of publishing the issue online.

Immunology and Immunotherapy during this year also brought out 2nd International Conference on Immunology, which consisted of ~2 abstracts.

The ipiiy Impact factor of Immunology and Immunotherapy for the year 2017 was 1.91, while the current SJR index dropped to 0.256. The H-index of the journal, however, increased to 50 and Immunology and Immunotherapy ranked first among all journals in the field of Abstinence, Alcoholics, and Addiction Treatment, published in India, 2nd in Asia and 48th in the world.

During the calendar year 2017, Immunology and Immunotherapy received a total of 20 papers, out of which 15 articles (58%) were rejected in the preliminary screening due to plagiarism or being out of the format and peer review process. During 2019 around 2 articles were subjected for publication after they are accepted in the peer review process. In the issue of Volume 1 published during the year 2019, a total of 1 article were published of which, articles were published from authors all around the world. A total of 110 research scientists from all over the world reviewed the 1 article published in volume 1. Average publication lag time of an article was further reduced to 2-3 weeks.

During the calendar year 2019, a total of 32 Editors, 20 Reviewers joined the board of Addiction & Criminology and contributed their invaluable services towards contribution as well as publication of articles.

I take this opportunity to acknowledge the contribution of Stanislav Svetlov during the final editing of articles published and the support rendered by the editorial assistant, Natalia Jones in bringing out issues of Immunology and Immunotherapy in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of Immunology and Immunotherapy, the office bearers for their support in bringing out yet another volume of Addiction & Criminology and look forward to their unrelenting support to bring out the Volume 4 of Immunology and Immunotherapy in scheduled time.
