

Editorial Note | Journal of Insights in Aquaculture and Biotechnology

Volume s1

About the Journal

Insights in Aquaculture and Biotechnology is an International Open Access peer reviewed publication that discusses current research and advancements in Aquaculture and Biotechnology. The journal covers several key aspects in these fields by including research on topics like Aquaculture, prawn cultivation, crab and pearl farming. Biotechnological applications in improving the production rates, conservation of germplasm of various commercially important and endangered species at a broad spectrum of biotech research efforts and their applications to the aquaculture industry.

About the Conference

The conference “5th International Conference on Plant Science & Physiology” hosted by Conference Series was successfully completed which was held during **February 17-18,2020** with the theme “*Towards the invitation of the Plant science and physiology*”. Benevolent response and active participation was received from the keynotes, speakers, chair persons and delegates as well as attendees from the Scientists, Doctors, Professors, plant science specialists, Plant science Industries, Researchers and Students from the fields of Plant science and Physiology, those who involved in this successful event. Medicinal Plants and Pharmacognosy, Phytonanotechnology, Plant Physiology and Biochemistry, Plant Biotechnology, Plant Tissue Culture, Plant Genetics and Genomics, Plant Sciences and Plant Research, Plant Molecular Biology, Plant Pathology and Mycology, Horticulture, Agriculture and Natural Resources, Agronomy and Agricultural Research, Agricultural machinery, Hybrid Crops, Seed Science and Technology, Organic farming, Phytohormones, Plant Genetic Engineering and GM Crops, Agricultural Bioinformatics.

Key Note Speakers :

Thiwaporn Phadung

Department of Agriculture, 10900, Thailand Thailand.

Mr. Muhammad Usman

Former Director General of Agricultural Research System, Government of Pakistan Pakistan

Why Special Issue

This special issue has been introduced to recognize those researchers who are with us from the starting of the Conference and kept their believe with us regarding the quality of the conference and the publication. Their continuous support make the Conference as well as the supporting journal to the conference successful and recognized by the international experts. Here in honor to those supporters, those speakers, those submitters, those researchers we are

Note: This special issue is nothing but a part of the conference proceeding with the full length articles submitted for the conference in honor to recognize the conference attendees and the submitters.

releasing the special issue with the abstracts accepted for the conference, full length articles submitted to the conference and with the short communication submitted to the conference.

Note: This special issue is nothing but a part of the conference proceeding with the full length articles submitted for the conference in honor to recognize the conference attendees and the submitters.
