### Editorial

Dear Readers

Warm Greetings from the Journal of Insights in Enzyme Research

Journal of Insights in Enzyme Research is glad to invite you as an eminent author for the submission of a manuscript under the scope of the journal. We are in the process of accepting articles for our February 2021 issue; we wish to continue the next journey of our journal with your contribution in various literacy forms like Research articles/Review articles/Case reports/Short Communication/ Mini-reviews/Letter-to-Editor.

Benefits to authors

- Pre-submission inquiries
- Liberal Copyright policy
- Special Discounts on iMedPub publication
- Efficient peer review and fast publication
- Journal membership and many more

The journal is indexed in China National Knowledge Infrastructure (CNKI), and Secret Search Engine Labs. Indeed we are looking for renowned people like you to support us by submitting their articles in our journal. So please circulate the information to your associates who may be inquisitive in contributing to our forthcoming issue. Feel free to reach out for any concerns in the same email. Good luck with your future endeavors.

With Regards,  
Editorial Manager
