

## 14<sup>th</sup> World Pediatric Congress December 11, 2020 Webinar

### *Editorial Note*

We had a huge success with the completion of **14<sup>th</sup> World Pediatric Congress Webinar** on December 11, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the field of Pharmaceutical Sciences.

The conference was organized around the theme “**Health and Wellness of your little ones**”. The congress entrenched a firm relation of future strategies in the field of Healthcare medicine.

We would like to thank accepted abstracts:
