

Editor Note on Journal of Stem Cell Biology and Transplantation

Dear Reader

I am pleased to mention that during the year 2019, all the issues of Journal of Stem Cell Biology and Transplantation, Volume 3 were published online within time and the print issues were also brought out and dispatched within 30 days of publishing the issue online. The objective of JSCBT is to publish up-to-date information on aspects of Stem Cell Biology and topics related to Transplantation.

As such, the journal aspires to be reliable source of information on discoveries and current information. Each issue of the journal contain different types of papers, mostly the first , regional spotlight; provides a short contemporary on an issue in the field of Stem Cell Biology and Transplantation. The other papers is related to awards in the field of Stem Cell Biology.

I take the opportunity to acknowledge the contribution of Dr Khalid Ahmed Al-Anazi during the final editing of articles published and support rendered by the editorial assistant, in bringing out issues of JSCBT in time. I would also like to thank all the Authors, Reviewers, Publisher, the Advisory and the Editorial Board of JSCBT, the office bearers and staff for their support in bringing out yet another volume of JSCBT and look forward to their unrelenting support to bring out the Volume 4 of JSCBT in scheduled time.
