

Announcement of 3rd International Conference on Otolaryngology and Rhinology

CEN ZHIFENG

University of Macau, China

 mc05814@umac.mo

Abstract

Active participation and generous response was received from the Organizing Committee Members, Editorial Board Members of Journals as well as from Eminent Scientists, Talented Researchers and Young Student Community. All the support and cooperation from the Organizing Committee Members, Researchers and the Speakers had made ENT 2019 a successful event. ENT 2019 Organizing Committee would like to thank the Moderator of the conference, Ana Paula Lefèvre M, Brazil who contributed a lot for the smooth functioning of this event. The highlights of the meeting were the enlightening keynote lectures from: • Stella Maris Cuevas, Hospital of Clinics José de San Martín, Argentina on the topic "Olfactory function on patients with CRS" • Sekhar Bandyopadhyay, N.B.Medical College & Hospital, India on the topic "Paediatric aero digestive foreign bodies: 10 year Retrospective study in a Tertiary Care Hospital". • Kalpana Nagpal, Indraprastha Apollo Hospital, India, on the topic "Challenges in initiation and running ENT, Head & Neck Robotic surgery program in our country" • Vik Veer, Royal National Throat Nose & Ear Hospital, UK.
