

EuroSciCon Conference on Immunology on October 10-11, 2019 at Osaka, Japan

Huang Wei Ling

Huang Wei Ling, CEO, infectious and parasitic diseases, Medical Acupuncture and Pain Management Clinic, Brazil, E-mail: weilingmg@gmail.com

17th International Conference on Immunology (Immunology 2019) hosted by EuroSciCon Ltd. took place at Flemings Conference Hotel Vienna, Austria during [October 10-11, 2019 at Osaka, Japan](#). It was organized by EuroSciCon Ltd. and generous response was received from the Editorial Board Members of EuroSciCon Ltd. Journals as well as from eminent scientists, talented researchers, and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2019 from EuroSciCon Ltd. The three-day program witnessed thought to provoke keynote and plenary presentations from experts in the field of Immunology and highlighting the theme, "Determine the most recent developments in Immunology and Vaccine Research".

Our Attendees obtained the updated and current research development information in the arena of [Immunology](#) that they were seeking, and that their role in the field has been enhanced via their participation and communication with other experts. They were able to take part in all the sessions and take advantage of the tremendous advancements in [Immunology](#) that scientists are working with.

The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:

Immunotherapy and Vaccine, Diagnostic Immunology, Allergies and Hypersensitivities Immunotoxicology, Immune Tolerance, Tumour Immunology, Autoimmune disease, Immuno, Genomics, Nutritional Immunology, Clinical Immunology, Cancer Immunotherapy, Reproductive Immunology, Immune Tolerance, Immunotoxicology, Neuroimmunology, Microbial Immunology, Cellular Immunology, Pediatric Immunology, Immuno Dermatology, Immuno Haematology, Computational Immunology, Veterinary Immunology, Mucosal Immunology

The highlights of the meeting formed the Eminent Keynote Lectures from

- Wassil Nowicky, Austria
- William N Sokol, USA
- Michel Leclerc, France

- Yaffa Mizrahi Nebenzahl, Israel
- Gilbert Gladly, France
- Byoung S. Kwon, South Korea
- Nataliya M Kushnir, USA
- Edward P Cohen, USA

Notable Speakers of [Immunology Research 2019](#)

- Michel Leclerc, Orléans University, France
- Pichaet Wiriyachitra, Asian Phytoceuticals Public Co., Ltd., Thailand
- Pietro Mastroeni, University of Cambridge, UK
- Yi Yang, Biocytogen, China
- Derick Lindquist, The Ohio State University, Columbus
- Sudha Bansode, Shankarrao Mohite College, India
- Abdulsalam Mohamad Kasim Al-Mukhar, College of medicine, University of Mosul, Iraq
- Nader Mosavari, Agricultural Research, Education and Extension Organization (AREEO), Iran
- Ali ilter Akdag, Jamia Hamdard University, India
- Laura Medrano Gonzalez, Queen Mary University of London, United Kingdom
- Ceren Ciraci, Istanbul Technical University, Turkey
- Marjan Jalali Mehr, Islamic Azad University, Saveh, Iran
- Kimihiko Okazaki, Okazaki Medical Clinic, Japan
- haymaa Mundher Mohammed Al- Deri, Al-Mustaqbal University, Babylon- Iraq

Immunology Research 2019 played an important role in promoting multidisciplinary interactions between science and technology to enhance research in Immunology. The program covered current and emerging research innovations in the field of **Immunology**.

We would specially thank the Moderators of **Immunology Research 2019** Francesca Mancini, Italy and Jefferson Bitencourt Borges, Brazil for their contribution to the conference.

We are obliged to the various delegates from companies and institutes who actively took part in the discussions. We sincerely thank the Organizing Committee

Members and Editorial board of Immunology 2019 for their gracious presence and continuous support throughout the proceedings of this event.

All thanks to our Media partners also for associating with us.

Pharma voice, Scoop.it, FENS, Medgate today Magazine, LIINE UP, Crowd Reviews, Enliven Archive, Kind Congress, Manuscript Edit, Pink Medico, Placid Way, Tabeeby, The Pharma Times and Vydy Health.

SAVE THE DATE, [Immunology Conference 2020](#) is coming!

Followed by the Successful Completion of the Immunology 2019, we are hosting its next edition "**18th International Conference on Immunology Research in Rome, Italy on June 24-25, 2020.**"

The theme focused for the Immunology Conference 2020 having you all with us for our Immunology Conference 2020 is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, research ideas and to make a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our Immunology Conference 2020

Immunotherapy and Vaccine, Diagnostic Immunology, Allergies and Hypersensitivities Immunotoxicology, Immune Tolerance, Tumour Immunology, Autoimmune disease, Immuno, Genomics, Nutritional Immunology, Clinical Immunology, Cancer Immunotherapy, Reproductive Immunology, Immune Tolerance, Immunotoxicology, Neuroimmunology, Microbial Immunology, Cellular Immunology, Pediatric Immunology, Immuno Dermatology, Immuno Haematology, Computational Immunology, Veterinary Immunology, Mucosal Immunology

Immunology Conference 2020 aims to bring all the Immunology professionals under all Immunology fields for our Immunology Conference to interact and share their knowledge and their newest research to the entire

Immunology Community.

Also this time, Our Immunology Conference will be focus destination for the International Immunology Research Societies, Associations, and Organizations. This event will bring together Nurse practitioners, Directors, Professors, Students from academia and researchers in the field of Immunology, Government officials and global leaders to push forward the Immunology Research.

Immunology Event is expecting more than 200 Participants to enlighten the program. This time the Immunology Conference will organize several Oral and Poster Presentations Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced several new tracks to bring in more participants.

We are looking forward for the Immunology Conference 2020 to be successful just as the Immunology Conference 2020!

We welcome all the Immunology Professionals, Delegates, Researchers, and Students to make your beautiful presence in Rome, Italy on June 24-25, 2020.

Kind Regards,

Catherine Thomas | Program Director
