The Organizing Committee Members of “**International Conference on Physiotherapy, Kinesiology and Sports Medicine**” have finally revealed the theme for this year’s **Medical, Clinical, Physiotherapy Engineering, Sports and Medicine** conference and it is going to be, “**Best Practices and Recent Advancements in Physiotherapy and Sports Medicine**”. Conference Series and the organizing committee of **Physio-Sports Medicine Conference 2020** acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of **Medicine, Sports and Physiotherapy**, and has decided to introduce various achievement awards for all the participants. **Physio-Sports Medicine Conference 2020** conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at **Physio-Sports Medicine Conference 2020**

Expert Level (Scientific Service Achievement Award)

Expert_Level: The award is meant to the experts who have made exceptional contribution in the field of **Physiotherapy** and **Sports Medicine Research**. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in relevant subject field is eligible for achieving this award. The recipient of the award must have a keen interest in opening the new horizons and researching the latest developments in the

relevant field. Deserving nominees can be awarded online as well.

Professional Level (The Research Contribution Award)

The Award for professional or academic research activity acquired in the **Physical Therapy Rehabilitation & Sports Medicine** research field in the public or private sector for experts having research knowledge at 10+ years in the field of Physical Therapy Rehabilitation with most relevant accomplishments. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged. You can nominate deserving of the award online.

Scholar Level (The Upcoming Researcher Award)

The conference offers Scholar Level Award for the upcoming scientists, researchers, and experts having 10+ years of research experience in the field of **Physical Therapy Rehabilitation & Sports Medicine**. Our conference would like to provide the best platform to expand your network by sharing your research knowledge at the stage. The presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes of panel discussions. You can nominate deserving of the award online..

Women Scientist (The Women of Science Award)

Physiotherapy Conference provides a unique platform for women scientists for presenting the latest research projects with an in-depth analysis. We cordially invite women scholars and scientists from Universities/ Industries to have 10+ years of research experience

in [Physiotherapy & Sports Medicine](#) to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations. Women scientists can nominate deserving of the award online.
