

## Editorial Note

# Joint Event on Neuropharmacology & Pharmaceutical Biotechnology June 29 - 30, 2020 Webinar

### Editorial Note

We had a huge success with the completion of Joint Event on Neuropharmacology & Pharmaceutical Biotechnology Webinar on June 29-30, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the field of Pharmaceutical Sciences.

The conference was organized around the theme "Insights of neuro and pharmacological Manifestations of Drugs in Patients with COVID - 19". The congress entrenched a firm relation of future strategies in the field of pharmaceuticals and pharmacology.

We would like to thank all the participants and following keynote speakers:

- Dario Furnari, University of Exeter, England
- MS. Suchi, Global Goodwill Ambassadors, Singapore
- Eden Araiz, Ben-Gurion University, Israel
- Abdulmohsen Alrohaimi, Shaqra University, Saudi Arabia
- Jean Francois Jenck, Business developer, ALGOLIGHT, France

We would like to thank each and every participant of Euro Neuropharmacology & Pharmaceutical Biotechnology webinar to make this a huge success. And special thanks to media partners for the promotion of our event.

The ConferenceSeries LLC LTD Pharmaceutical Conferences aim to bring together the prominent researchers academic scientists, and research scholars to exchange and share their experiences on all aspects of Pharmaceuticals. It is conjointly a knowledge domain platform for researchers, practitioners and educators to gift and discuss the foremost recent advances, trends, and issues in addition as sensible challenges and solutions adopted in the fields of pharmaceutical biotechnology & pharmacology.
