

Past Conference Report: 23rd World Nanotechnology Congress & 28th International Conference on Nanomedicine and Nanomaterials

We are glad to commence this webinar on Joint Meet on **23rd World Nanotechnology Congress & 28th International Conference on Nanomedicine and Nanomaterials** to be held during **June 9-10, 2020** on **Webinar** to a grand success event. The conference was marked with the attendance of Editorial Board Members of supported Journals, Scientists, young and brilliant researchers, business delegates and talented student communities representing more than 15 countries, who made this conference fruitful and productive.

[Nano Med 2020](#) gadders all the people at one place to share the ideas and innovative thoughts to make the world how important is the Nano Med 2020 and make the Nano technology as their future. [Nanotechnology Congress 2020](#) is an international platform for presenting scientific research and exchanging ideas about it and thus, contributes to the dissemination of knowledge in Nanotechnology for the benefit of both the academia and business.

This conference was based on the theme “**Enlighten your Future with Nanomedicine and Nanomaterials for the brighter and advanced life**” which included the following scientific tracks:

- Nano medicine
- Nano materials
- Green nanotechnology
- Nano engineering
- Nano robotics
- Molecular Nanotechnology
- Nanophysics
- Nanotechnology in cancer treatment
- Nanotechnology in tissue engineering
- Nano therapy
- Nanotechnology
- Nanomedicine and Nano Biotechnology
- Nanotoxicology
- Nanoparticles and Nanomaterials
- Computational Nanotechnology
- Nanoelectronics and Information Technology
- Graphene and Fullerenes
- Targeted Drug Delivery Systems

- Nano Pharmaceuticals

The conference marked its start by an opening ceremony which included an introduction by the Honorable Guest:

- **Roger M Leblanc**, University of Miami, USA

We were overwhelmed by his generous response.

The eminent personalities at the conference were

- **Julia Durzynska**, Adam Mickiewicz University, Poland
- **Ariel Franco**, Nanosono R&D Center, Israel
- **Zehra Edis**, Ajman University, UAE
- **Oluwadamilola Oshodi**, University of South Florida, USA
- **Wesley N Omwoyo**, Vaal University of Technology, South Africa
- **Guillermo Valdes Mesa**, Havana University Center, Cuba

.Conference Series LLC ltd also took privilege to felicitate the Keynote Speakers, Organizing Committee Members, Valuable speakers, students, delegates Chairs and sponsors who supported this event.

We hope your favorable support will make next series Joint Meet on **24th World Nanotechnology Congress & 29th International Conference on Nanomedicine and Nanomaterials** to be held during June 9-10, 2021 at Istanbul, Turkey to a grand success event.
