Abstract

The organising committee members of 24th International congress on Pediatrics and Neonatology have finally revealed the theme for this year's Pediatric Care 2020 conference and it is going to be "Accelerating Innovations & Advances in Neonatal and Pediatric Nursing". Conference Series and the organising committee of Pediatric Care 2020 acknowledges the efforts and contribution of scholars, researchers, academicians, and scientists in the field of Pediatrics, Neonatology, Midwifery, and has decided to introduce various achievement awards for all the participants. Pediatric Care 2020 conference will offer various awards to outstanding researchers, scientists, exceptional graduates or early academicians who have a notable contribution to the field and possess keen interest towards the conference theme. The awards strive in providing a strong professional development opportunity for all researchers at different levels of their careers. Moreover our conferences will provide a much needed time and space for all to interact with colleagues from different parts of the world and to create long lasting networks and relations.

Below are some of the special awards that are being offered at Pediatric Care 2020

Expert Level: The award is meant to the experts who have made exceptional contribution in the field of Pediatrics and Neonatology Research. This award is the most prestigious award of the conference and that is why it is also known as Scientific Service Achievement Award. One who is having at least 20+ years of experience (public /private sector) in Pediatrics and Neonatology field is eligible for achieving this award. The recipient of the award

must have a keen interest in opening the new horizons and researching the latest developments in the relevant field. Deserving nominees can be awarded online as well.

The distinguished "Research Contribution Award" at Professional Level will be awarded by the Organizing Committee of Pediatric Care 2020 to the participants of 24th Annual congress on pediatrics and neonatology. The award will be presented for outstanding scientific achievement or service to the discipline of Pediatrics care, Pediatric Nursing, Pediatric Medicine and Neonatology. The eligibility criteria for achieving this award is that one should have research knowledge minimum of 10+ years of experience in the relative field of Pediatrics. offers Scholar Level Award for the upcoming scientists, researchers and experts having 10+ years research experience in the field of Pediatrics and Neonatology. This Pediatrics and Neonatology conference would like to provide best platform to expand your network by sharing your research knowledge at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel discussions.

Deserving nominees can be awarded online as well.

Women Scientist (The Women of Science Award)
