

Nursing Forum 2020 Report

Thanks to all of our wonderful speakers and conference attendees, Nursing Forum-2020 Conference was our best ever!

The Advances in Nursing Education and Research Conference, hosted by the Longdom Conferences was held during April 27-28, 2020 at New York, USA with the theme “Innovative Ideas and Approaches in Nursing Education “. Benevolent response and active participation were received from the Editorial Board Members of Longdom Journals as well as from the scientists, nurses, researchers, students and leaders from the fields of Nursing and Healthcare, who made this event successful.

The meeting was carried out through various sessions, in which the discussions were held on the following major scientific tracks:

- Advanced Nursing Practice
- Healthcare and Management
- Risk Factors in Nursing and Healthcare professionals
- Nursing Informatics
- Women Health Nursing
- Clinical Nursing
- Nursing Management
- Nursing Education and Research
- Modernization in Nursing Education
- Paediatric & Neonatal Nurse Practitioner

- Oncology-Care Nurse Practitioner
- Midwifery Nursing
- Telenursing
- Nursing and Health care
- Neonatal Nursing

The conference was initiated with a series of lectures delivered by both Honourable Guests and members of the Keynote forum. The list included:

- Winona State University, College of Nursing and Health Sciences, Winona, MN, U.S.A.
- Créteil University School of Medicine, France
- Valdosta State University, Valdosta, Georgia, USA
- School of Health Science, Japan University of Health Sciences, Saitama Japan

With the grand success of Nursing Forum 2020, Longdom Conferences is proud to announce “Advances in Nursing Education and Research” April 27-28, 2020, New York, USA.
