

## Nutritional Biochemistry Past Conference Report

**Osama Ibrahim**, Principle Research scientist, Bio Innovation, USA, E-mail: [bioinnovation04@yahoo.com](mailto:bioinnovation04@yahoo.com)

International Conference on biological process organic chemistry (Nutritional Biochemistry 2019) hosted by Euroscicon materialized at vacation hotel Paris, Marne La Vallee, Paris, France throughout Apr 15-16, 2019. it absolutely was organized by Euroscicon and generous response was received from the Editorial Board Members of Euroscicon Journals furthermore as from eminent scientists, proficient researchers and young student community. Researchers and students World Health Organization attended from totally different elements of the planet created the conference one in all the foremost undefeated and productive events in 2018 from Euroscicon. The program witnessed thought agitating keynote and comprehensive displays from consultants within the field of Nutrition, lightness the theme, "Technological Advancements in organic chemistry to supply Nutrients permanently Health and higher Life".

This world congress conference brought eminent scientists together from all the nations and in which many critical issues were discussed in depth to provide up-to-date information to the world. On the other hand, the meeting provided a best platform for the young researchers to share their ideas and experiences.

It's really an honor to have the speakers from all over the world and it's been a great moment to hear on different research papers at the time of oral presentations and also young research fellows has given a great talk about the current impacts on Nutrition & Food Sciences. Finally, the program has been closed with panel discussion and certificate distribution.

Some of Sessions Discussed at our Global Event:

Clinical Nutrition

Nutrition Technology

Nutraceuticals

Clinical Nursing

Trends in Nutrition

Nutrition, Obesity and Diabetes

Brain Nutrition

Public Health Nutrition

Nutrition in Women and Postmenopausal diet

Nutrition and Cancer Prevention

Diabetes Nutrition

Nutrition and Cardiovascular Health

Probiotic Nutrition and Enteral nutrition

Nutritional Physiology and Food Biochemistry

Nutritional Disorders and Treatment

Pediatric Nutrition and Obesity

Foods and Nutritional Supplements

Research in Nutrition and Food sciences

Sports Nutrition

Role of Nutrition in Disease Prevention

Malnutrition

Balanced Diet- Measures and Recommendations

Parenteral Nutrition

Nutrition in Chronic illness

Dental Nutrition and Weight Management

Animal & Plant Nutrition

The highlights of the meeting were kind the eminent keynote lectures from

**Maria Salome Soares PAIS**, Academy of Sciences of Lisbon, Portugal

•**Colleen M. Fairbanks**, Licensed Clinical Psychologist, USA

Nutritional Biochemistry 2019 played an important role in promoting multidisciplinary interactions between science and medical field to enhance research in Nutrition, Food Science, Biochemistry, Health, Wellness and Diet. The program covered current and emerging research innovations in the field of Nutritional Biochemistry.

We would specially thank the Moderator of the Batra M. Aikaterini, Greek Army Biological Research Center, Greece

for her contribution for the conference.

We are obliged to the various delegates from companies and institutes who actively took part in the discussions. We sincerely thank the Organizing Committee Members and Editorial board of Nutritional Biochemistry 2019 for their gracious presence and continuous support throughout the proceedings of this event. With the valuable feedback and generous response received from the participants of the event, EuroSciCon Ltd. would like to announce the commencement of **International Conference on Nutritional Biochemistry during March 11-12, 2020 at Prague, Czech Republic**

Let us meet again @ **Nutritional Biochemistry 2020**
