

Past Conference Report: 19th International Conference on Pharmaceutics & Novel Drug Delivery Systems

[19th International Conference on Pharmaceutics & Novel Drug Delivery Systems](#) which was held during June 18-19, 2020 through webinar.

With the active participation and support of the Organizing Committee Members, Editorial Board Members and impressive presentations of all eminent scientists, talented researchers and young student community made this conference one of the most successful and productive events in ME Conferences.

The conference was initiated with a warm welcome note from our Honourable guests and followed by Keynote sessions. We would like to convey the great appreciation to the Honourable moderator for the conference who contributed a major part to the success of this event.

The major sessions included in this meet are Drug Discovery and Development, Smart Drug Delivery System, Target Based Pharmaceutical Formulation, Pharmacokinetics and Pharmacodynamics, Bioavailability and Bioequivalence, Pharmacoepidemiology and Drug Safety, Novel Oncology Therapeutics, Clinical Research and Trials, Bio Pharmaceutics, Pharmacy and Pharmaceutical Sciences and many more.

The highlights of the meeting were the enlightening keynote lectures from:

- Ahmed Hegazy, PVigilant Health, UAE
- Nalini Kanta Sahoo, Marri Laxman Reddy Institute of Pharmacy, India
- Muhammad Usman Mirza, University of Leuven, Belgium

Pharmaceutica Meet 2020 would also like to thank the following speakers for their splendid presentations on their research.

- Rajesh Jagtap, Annasaheb Dange College of B. Pharmacy, India
- Hetal Patel, Maliba Pharmacy College, India
- Mithun Gopikishan Maniyar, SVERI' s College of Pharmacy, India
- Sneha Jagtap, Annasaheb Dange College, India
- Akanksha Mahajan, Panjab University, India
- Samirah M. Alsawqae, King Khalid University, Saudi Arabia

We hope your favorable support will make next series [20th International Conference on Pharmaceutics & Novel Drug Delivery Systems](#) to be held during April 26-27, 2021 at Dubai, UAE one more grand success event.

We welcome all the eminent researchers, professors, students and delegate participants from worldwide to partake in this forthcoming gathering to witness invaluable scientific discussions and add to the future advancements in the field of Pharmaceutics and Drug Delivery systems.
