6<sup>th</sup> Brain Disorders and Therapeutics Conference were organized during September 13-15, 2018 at Copenhagen, Denmark. With the support and contribution of the Organizing Committee Members, we successfully hosted the event at the conference venue.

Firstly we must thank you for trusting us and participating at Brain Disorders 2018, a global platform to discuss various important aspects of Neurology and Neuroscience.

There are infinite reasons to extend our gratitude to you for making the Brain Disorders 2018 outstanding conference. We couldn't have done it without your continuous support and believe towards our organization, which mutually made to achieve Brain Disorders 2018 new heights in the field of Neurology and Neuroscience.

The conference was marked by the attendance of young and brilliant researchers, business delegates and talented student communities representing more than 50 countries, who have driven this event into the path of success.

The conference was organized around the theme "New Horizons and Global Perspectives in Neurology, Psychiatry and Brain Research". The event implanted a firm relation of upcoming strategies in the field of Neurology with the scientific community. The conceptual and applicable knowledge shared, will also foster organizational collaborations to nurture scientific accelerations. **Alper İbrahim Dai**, Gaziantep University, Turkey and **Daniela Hristova**, Simbec-Orion, UK was the moderators of Brain Disorders 2018. We are much thankful to both of them for their great support and help.

The conference proceedings were carried out through various Scientific-sessions and plenary lectures of which the following Speakers were highlighted as Keynote speakers: **John L Merritt**, RehabMed South, USA; **Wilhelm Eisner**, Medical University of Innsbruck, Austria; **Prof. Justin James Kennedy**,

Neuroscientist, USA and Canadian University of Dubai, UAE; **Kim Baden Kristensen**, Brain+, Denmark; The conference witnessed an amalgamation of peerless speakers, Keynote speakers, well-known researchers and delegates who enlightened the crowd with their enviable research knowledge and on various alluring topics related to the field of Neurology through their fabulous presentations at the podium of Brain Disorders 2018.

Conference Series LLC Ltd offers its heartfelt appreciation to all the Organizing Committee Members, Chairs and Co-chairs, Speakers, Students, Media Partners and Editorial Board Members of Journal of Neurology & Neurophysiology, Journal of Neurological Disorders and Journal of Brain Disorders and Therapeutics who supported the conference in every aspect for the awe-inspiring exhibition at the venue.

We are also obliged to various delegate experts, company representatives and other eminent personalities who supported the conference by facilitating active discussion forums. We thank Shubhangi Gaikwad, Saudi German Hospital, UAE and Kanan khatau Chikhal, Life Cures Wellness Clinic, India for conducting workshop at our conference. We sincerely thank the Organizing Committee Members: **Ivan Milanov** President Bulgarian Society of Neurology Bulgaria; **Drini Dobi** Neurologist Mother Theresa University Hospital Center Albania; **Eyad Faizo** Neurosurgeon BG Unfallklinik Murnau Germany; **Sandro Gatillo** Rehabilitation Director and Managing Director Stroke & Brain Injury Specialist Services UK.
