Abstract

We want to thank you all our wonderful keynotes, speakers, conference delegates, students, associations, media partners and guests for making Nursing Education 2020 a successful event.

AAC hosted the event of **31st International Conference on Nursing Education and Research** during **April 08-09, 2021** in **Prague, Czech Republic**.

Talks and discussion concentrated on the subject of "Challenges and Innovations in Modern Nursing Education and Healthcare Research" and it was an extraordinary achievement where prominent keynote speakers from different presumed associations and colleges made their brilliant nearness and tended to the social affair.

AAC might want to pass on a warm appreciation to the session chairs/co-chairs and session speakers who made this meeting more useful and successful to the researchers, educators, investigate researchers, postgraduate and graduate understudies, and delegates from Nursing and Healthcare parts met there.

Undergraduates and student students from numerous nations went to and participated for Best Student Oral Citation.

Nursing Education Conference is specifically premeditated with a unifying axiom providing the pulpit to widen the imminent scientific creations.

Some of the Talks at Nursing Education 2020 Presented by the following attendees:

Pere Castellvi Obiols | Universitat Internacional de Catalunya | Spain
