

Track Down the Toxins

James Trosko

Michigan State University, USA

With the contribution of world's most eminent personalities we have almost explored the latest advancements in the field of Toxicology and Clinical Toxicology. It's a pretty herculean task to cover everything in 48 hrs but the short that was given is worthwhile. As it was quoted by Edmond Mbiaka "The quest for knowledge never ends; it just leads to more curiosities that lead to a greater mind." All we can say is this is just a beginning, we still have a long way to go to enlighten the future generation about Toxicology and Clinical Toxicology so that we can have a better tomorrow and we would try our best in our upcoming conferences. With a vision of making this world a better place we would like to start the final report of "The 2nd International conference on Toxicology and Clinical Toxicology in London, UK on November 11, 12 2019".

We would like to extend our gratitude to all the excellent keynotes, speakers, conference attendees, students, associations, media partners, exhibitor and guests who left no stone unturned to make this Clinical Toxicology 2019 conference a huge success.

AAC hosted the event International Conference on Toxicology and Clinical Toxicology during November 11-12, 2019 at Park Inn by Radisson Hotel & Conference Centre, London with the theme "Track Down the Toxin". An enormous credit should be given to the Benevolence and the zestful engagement of The Editorial Board Members in supporting the International Journals as well as from the leading Pedagogical clinicians, scientists, professors, students and leaders from the field of Clinical Toxicology and Pharmacology are the cause to make this event successful.

We would like to express our sincere gratitude to Moderators, Speakers, Keynote Speakers, Members of the Organizing Committee, Attendants and Guests for their inspiring speeches and for making Toxicology 2019 a memorable and fruitful affair.

The conference started with an opening ceremony accompanied by keynote sessions and followed by a series of lectures given by both Honorable Guests and Keynote Forum leaders. The conference proceedings were held by various Scientific-sessions and plenary presentations, featuring the following Keynote Speakers:

1 James E. Trosko | Professor | Michigan State University | USA

2 Alan H Hall | Professor | University of Denver | USA

3 Noura Al Jandal | Professor | Kuwait Institute | Kuwait

The Conference venue's roof was shared by young and brilliant researchers, business delegates and talented student communities representing more than 18 countries, whose enthusiasm and curiosities have driven this event into the path of success. The conference highlighted through various sessions on current rhetorical research.

Toxicology 2019 witnessed renowned speakers who enlightened the crowd with their ocean of knowledge and confabulated on various noble advancements related to the fields of Toxicology, Neurotoxicology, Toxicopathology, Cardiovascular Toxicology, Environmental Toxicology, Forensic Toxicology, Applied Pharmacology, etc.

Numerous Scientific-sessions and plenary lectures were carried out related to Toxicology and Clinical Toxicology. The conference was commenced with an opening ceremony followed by a series of lectures delivered by both Honourable Guests and members of the Keynote forum.
