

Successful Completion of 16th International Conference on Cancer Stem Cell in Seoul, South Korea on September 9-10, 2019

Gilbert Glady

Doctor, Department of European Bio Immune (G)ene Medicine Association, France., E-mail: info@ebma-europe.com

Journal of Cancer stem cell and oncology research

Euroscicon has been successfully accomplished cancer Stem Cell and oncology research. We must thank all our attendees, Four Points by Sheraton Seoul, South Korea, Conference Centre Staff, the Organizing Committee, Ad-Sponsors, Media partners and everyone else that helped to make this Euroscicon International Conference on Cancer Stem Cell with the theme, Innovation in Cancer Research and Projections of Novel Therapeutic Approaches a great successful conference.

Our Attendees were intrigued to explore latest discoveries and ground breaking innovations in the Cancer stem cell and oncology research that they were seeking, and that their role in the field has been enhanced via their participation. They got an opportunity to exploit all the facilities including the networking, business to business and were able to share and to attain the latest and challenging approaches and field studies in the frontier areas of Cancer Stem Cell and Oncology research.

The Majorly Focused Highlights for our Cancer Stem Cell 2019 Conference were Cancer Stem Cell, Oncology Research Categories, Cancer Science, Cancer Immunology & Immunotherapy, Nanotechnology in Cancer, Clinical Oncology, Stem Cell Therapy, Cancer Genetics and Cancer Diagnosis etc.

Some of the Eminent Cancer Stem Cell and Oncology Research Professionals were the Organizing Committee Members for Cancer Stem Cell 2019

Xu Chen, Researcher, University of the Rockies, USA
Elizabeth Rufus, Vellore Institute of Technology, India.
Irine Ioramashvili, Ilia State University, Georgia
Rusudan Sujashvili, New Vision University, Georgia
James E.Trosko, Michigan State University, USA
Sergey Suchkov, Moscow State Medical University, Russia

Notable Speakers of Cancer Stem Cell 2019

Christos Drossinakis, lawg-Internationale Akademiefür Wissenschaftliche, Germany
Wassil Nowicky, Ukrainian Anti-Cancer Institute, Ukraine
Ignat Ignatov, Scientific Research Center of Medical Biophysics (SRCMB), Bulgaria

Gilbert Glady, European Bio Immune (G)ene Medicine Association, France

Gerald C.Hsu, Medical Research Scientist, USA

Xianming Mo, Sichuan University, China

Myata Thu Yat Thu Win, AIMST University, Malaysia

Bettina Maria Haller, Austria.

Siti Munira Abd Jalil, Government National Cancer Institute, Malaysia.

Eliza Beth Rufus, Vellore Institute of Technology, India

Wim De Mde Marez, European BioImmune (G)en Medicine Association, France can assign somebody meriting the Award through on the web.

Finally, Cancer Stem Cell and Oncology Research gave equity to the theme "*Innovation in Cancer Research and Projections of Novel Therapeutic Approaches*" All thanks to our Media partners also for associating with us.

Conference Clocate, Crowd Reviews, Scoop.it, Pharma Voice, Online PR Media, Enliven Archive, Kind Congress, Manuscript Edit, Course For Doctors.com, Placid Way, Tabeeby, The Pharma Times and Line Up.

SAVE THE DATE, Cancer Stem Cell and Oncology Research 2020 is coming....!

Followed by the Successful execution of Cancer stem cell Meet, We are hosting our next version "**16th Euroscicon Conference on Cancer Stem Cell in Singapore on August 05-06, 2020**".

The theme focused for the Cancer Stem Cell and Oncology research is *New emerging challenges in Cancer stem cell and oncology*.

All your coordination with us for our Cancer Stem Cell 2020 involves extraordinary bliss and fervor. We anticipate all of you sharing your amazing information, examine thoughts and to make a sprinkle with new improvements at this 2-days occasion.

This time we have included some new features for our Cancer Stem Cell 2020 Conference were Cancer Stem Cell, Oncology Research Categories, Cancer Science, Cancer Immunology & Immunotherapy, Nanotechnology in Cancer, Clinical Oncology, Stem Cell Therapy, Cancer Genetics and Cancer Diagnosis etc.

Cancer Stem Cell 2020 aims to bring all the life science professionals for our Cancer Stem Cell and Oncology Research to interact and share their knowledge and their newest research to the entire life science streams.

Also this time, Our Cancer Stem Cell conference will be focus destination for the International Life Sciences Societies, Associations, and Organizations. This event will bring together Scientists, Directors, Professors, Students from academia and researchers in the field of Obesity and Eating Disorders, Government officials and global leaders to drive up with most innovative discoveries, strong challenges and Research.

Biosciences Event is expecting more than 200+ Participants to enlighten the program. This time the [Cancer Stem Cell and Oncology Research](#) will organize several Oral and Poster Presentations/Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced some new tracks to bring in more participants.

We are looking forward for the Cancer Stem Cell 2020 Conference to be successful just as the Cancer Stem Cell 2019 Conference!

We cordially invite all the [Lifesciences and Biosciences](#) Professionals, Delegates, Researchers, and Students to make your physical presence in Singapore on August 05-06, 2020

Thanks & Regards

Jessica Anne,

Meeting Producer | Cancer Stem Cell 2020
