

Global Summit on Advanced Plant Science and Natural Resource

Dr. Iddrishu Bukhari

National Taiwan University, Ministry of Health, Ghana Health Services, Ghana, E-mail: bidrису@uhas.edu.gh

The Achievement award is designed to recognize sustained, exceptional performance and/or significant contributions of the individuals who have made splendid contributions in Agriculture & Horticulture. Scientific Service Achievement Award is one of the most distinguished awards in the conference. The applicants should have minimum of 20+ years of experience in the relative field including performance or project goals above and beyond normal performance expectations in public or private sector. The applicants are expected to have a highly committed passion and should take lead in researching the current trends and developments towards the related subjects. The applicants can be nominated through online.

Expert Level (Scientific Service Achievement Award)

The award to the specialists who have made exceptional commitments in plant science. It is the foremost prestigious award of the entire conference and is labelled as scientific service Achievement award. The qualification criteria for accomplishing this award is that one should have least of 20+ years of experience within the relative field in public or private segment. The receiver of this award ought to have a committed interest and should take activity in researching the later patterns and advancements towards the related subjects. You'll designate meriting of the award through online.

Professional Level (The Research Contribution Award)

The Award for professional or scholastic research action procured in Plant Science research field within the public or private segment for specialists having research knowledge at 10+ years within the field of Plant Science with most relevant achievements. Part-time investigate experience would be tallied as pro-rata. It is calculated starting from the date after you obtained the first degree entitling you to set out on a doctorate (either within the nation in which the degree was obtained or

within the nation in which the analyst is enrolled), indeed in the event that a doctorate was never begun or conceived. You'll designate meriting of the grant through online.

Scholar Level (The Upcoming Researcher Award)

The conference offers Researcher Level Award for the up and coming researchers, analysts and experts having 10+ a long time research experience in the field of Plant Science. Our conference would like to provide best stage to extend your organize by sharing your investigate information at stage. Presentation includes 25-30 minutes of oral talk on the scientific research topics based on the theme of the conference along with 5 minutes panel talks. You'll nominate deserving of the award through online.

Women Scientist (The Women of Science Award)

Our Conference gives a special platform for women researchers for showing most recent research ventures with an in-depth analysis. We cordially invite women researchers and scientists from Universities/ Industries to who have 10+ a long time of research experience to connect the forum. We are happy to encourage our women scientist's members through research awards and give assistance for women researchers in career improvement and inquire about direction through our collaborations. Women Scientist can nominate deserving of the award through online.

Outstanding speaker in plantscienceresearch**2021**

This award is recognizing for person who will show their projects, strategies, and schemes that have been executed to move forward long-term excellence in Plant Science. You'll nominate deserving of the award through online.

Best Keynote Speaker in plant science research**2021**

This award is recognizes for best Keynote speaker who will display their projects, strategies, and schemes that have been executed to improve long-term excellence in Plant Science. if you were confirmed as keynote presenter from the program manager, you can nominate somebody meriting of the award through online.

Best Poster Presentation plant science research**2021**

Student Poster Competition is organized at Conference, to energize students and recent graduates to show their unique research. All acknowledged abstracts will be displayed at the poster sessions during the conference. Conference Series points at setting a platform for all the budding researchers and analysts to display their real-time work and share their views and angles related to the subject of the conference. You can nominate somebody deserving of the award through online.

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation in plantscienceresearch 2020

This award recognizing for Masters/Ph.D./Post Doctorate proposition work Presentation who display their project and proposition that have been implemented to improve long-term excellence in the field of Plant Science. You can assign deserving of the award through online.
