Allied Academies is very proud to announce the Young Scientist Awards at Regenerative Medicine 2020 Conference to explore and honour the research ideas related to Stem Cell research, Tissue Engineering and [Regenerative Medicine](#) in the young minds of Researchers, PhD Students, Post Graduate Students, Investigators, Post-Doctoral Fellows, Trainees and Junior Faculty.

CPD Accredited “3rd Global Conference on [Tissue Engineering](#) and Regenerative Medicine, Stem Cell Research” is scheduled during March 26-27, 2020 in Paris, France to focus on the theme: “Novel Insights and Innovations in Stem Cell Research and Regenerative Medicine”

YRF Nominations: Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation.

\*Note- Only 25 presentations are acceptable.

[Regenerative Medicine](#) 2020 provides young researchers a best platform to expand your connections, where you can meet your co-scientists, authorities and CROs around the globe. It's time to make use of this wonderful opportunity and join Regenerative Medicine 2020 to promote your research work and let the world get to know you.

#### Benefits:

- Certificate of Recognition and Memento to the Winners
- Expose your research work through Oral Presentations
- Expand your research further through novel ideas from Co-participants
- Collaborations among the participants
- Research and Career development through scientific networking

#### Eligibility:

- Young Researchers, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, junior faculty with a minimum of 5 years of research experience
- Presentation should refer to the theme of the conference
- Each candidate can submit one paper only (as first author or co-author)

- Age limit for participation- Below 35 Years
- Paper submissions must be in English

We would be glad to have your graceful presence and amazing contribution to wish our **Regenerative Medicine 2020** Conference a great success that mutually benefits your innovative personality and research career.
