

Young Researchers Forum - Young Scientist Awards Euro Pediatrics 2020

Prestigious Award for Young Research's at Euro Pediatrics 2020 - Discovering New Exploration in Pediatrics field [Pediatrics Conference Committee](#) is glad to announce "European Pediatrics Congress" during July 30-31, 2020 in Rome, Italy by focus on the theme: "Innovations and Excellence in Pediatrics & Research."

[Pediatrics Conference Committee](#) is intended to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a strong professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of Pediatrics.

Young Research's Awards at **Euro Pediatrics 2020** for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the **Euro Pediatrics 2020** young research forum. This conference will help the attendees in building a robust professional network by facilitating a fresh perspective of ideas, knowledge in recent advancements, one-on-one engagements and streamlining of techniques. Pediatrics 2020 is organized under the assumption that one-on-one interactions and discussions open door to innovations and inventions. We are proud facilitators of such a chance.

Criteria for Selection:

Showcase your research through oral presentations.

Learn about career development and therefore the latest research tools and technologies in your field.

This forum will give pertinent and timely information to those that conduct research and people who use and enjoy research.

Develop a foundation for collaboration among young researchers.

The forum will provide a chance for collegial interaction with other young investigators and established senior investigators across the world. Interact and share ideas with both peers and mentors.

Opportunity for young researchers to find out

about the research areas of their peers to extend their capacity as multidisciplinary researchers.

Actively distribute information and promote the advantages of education and career matters.

Conference Highlights:

- In vivo bioreactors
- 3D visualization and augmented reality for surgery
- Therapeutic proteins
- CRISPR
- 3D Printed Organs
- Solvent tolerance in bacteria
- Plant as bioreactor
- Nerve Regeneration
- Biosimilars
- Personalised medicines
- Hydrogels
- Targeted Cancer Therapies
- Metabolic engineering
- Optical sensors
- Bacterial compartment technology
- Bacteriophage proteomes
- Nano particle mediated drug delivery
- HPV Vaccine
- Face Transplants
- Brain Signals to Audible Speech
- Bio-surfactants, Bioethanol and Electricity generation by microbial fuel cell

Euro Pediatrics 2020 Young Scientist Awards:

Pediatrics Conference Committee is meant to honour prestigious award for talented Young researchers, scientists, Young Investigators, Post-Graduate students, Post-doctoral fellows, Trainees, Junior faculty in recognition of their outstanding contribution towards the conference theme. The Young Scientist Awards make every effort in providing a robust professional development opportunity for early career academicians by meeting experts to exchange and share their experiences on all aspects of {Biotechnology}. Young Research's Awards at Euro Pediatrics 2020 for the Nomination: Young Researcher Forum -

Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Biotechnology 2020 young research forum.

Awards & Rewards:

- Showcase your research through oral presentations.
- Learn about career development and therefore the latest research tools and technologies in your field.
- This forum will give pertinent and timely information to those that conduct research and people who use and enjoy research.
- Develop a foundation for collaboration among young researchers.
- The forum will provide a chance for collegial interaction with other young investigators and established senior investigators across the world.
- Interact and share ideas with both peers and mentors
- Opportunity for young researchers to find out about the research areas of their peers to extend their capacity as multidisciplinary researchers.
- Actively distribute information and promote the advantages of education and career matters.

Benefits:

- Young Scientist Award recognition certificate and memento to the winners.
- Our conferences provide best Platform for your research through oral presentations.
- Learn about career improvement with all the latest technologies by networking.
- Young Scientists will get appropriate and timely information by this Forum.
- Platform for collaboration among young researchers for better development.
- Provide an opportunity for research interaction and established senior investigators across the globe in the field
- Share the ideas with both eminent researchers and mentors.
- It's a great privilege for young researchers to learn about the research areas for expanding their research knowledge.

Euro Pediatrics 2020 provides best platform to expand your network, where you'll meet scientists, authorities and CROs from round the world. It's some time to grab the chance to hitch **Euro Pediatrics 2020** for promoting your research article and to facilitate prestigious award altogether

categories. During this fame, we glance forward for your contribution and astonishing dedication to form our **Pediatrics Congress 2020** more successful.

Best Regards,

Christine Cyrus
