

## 32<sup>nd</sup> European Pediatrics Congress, July 22-23, 2020 Webinar

### Editorial Note

We had a huge success with the completion of **32<sup>nd</sup> European Pediatrics Congress Webinar** on July 22 - 23, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the fields of Pediatrics.

The conference was organized around the theme "*Pediatrics - Struggle to Adapt And Survive COVID-19*". The congress entrenched a firm relation of future strategies in the field of Pediatric Research.

We would like to thank all the participants and following keynote speakers:

- Barbara Fialho Carvalho Sampaio, University of Sao Paulo, Brazil
- Roberta Ivanira Silva do Carmo, Oswaldo Cruz Foundation, Brazil
