

7th World Machine Learning and Deep Learning Congress June 18-19, 2020 Webinar

Editorial Note

We had a huge success with the completion of **7th World Machine Learning and Deep Learning Congress Webinar** on June 18-19, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the field of Pharmaceutical Sciences.

The conference was organized around the theme “*New way of Communicating your wishes to a Computer*”. The congress entrenched a firm relation of future strategies in the field of Healthcare medicine.

We would like to thank accepted abstracts:

- Bassem Mokhtar, College of Information Technology, University of Fujairah, Fujairah, UAE
