Followed by the Successful Completion of the Chemistry 2019 the 9th edition, we are hosting its next edition "10th World **Congress on Chemistry** and Medicinal Chemistry in Rome, Italy on February 28-29, 2020.

The theme focused for the Chemistry 2020 is – *Role of Chemistry and Medicinal Chemistry in the Global Challenges to come*

Having you all with us for our **Chemistry 2020** is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, Innovations, research ideas and to make a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our Chemistry 2020

Medicinal Chemistry, Drug Discovery, Forensic & Clinical Chemistry, Biochemistry & Chemical Biology, Pharmaceutical Chemistry, Neuroscience and Neurochemistry, Organic and Bio-organic Chemistry, Inorganic Chemistry, Physical & Theoretical Chemistry, Mass Spectroscopy & Chromatography, Nanoscience & Material Chemistry, Analytical & Bio analytical Chemistry, Environmental & Green Chemistry, Food & Agricultural Chemistry, Oil & Petroleum Chemistry, Nuclear & Polymer Chemistry, Electro Chemistry, Marine & Geo Chemistry, Computational Chemistry and Chemical Engineering etc.

Italy Chemistry Congress 2020 aims to bring all the Chemistry professionals under Department of Chemistry, for our **Chemistry 2020** to interact and share their knowledge and their newest research to the entire Chemistry Community.

Also this time, Our Italy Chemistry Conference will be focus destination for the International Chemistry Research Societies, Associations, and

Organizations. This event will bring together Chemists, Druggists, Pharmacists, Laboratory Technicians, Directors, Professors and Students from academia and researchers in the field of Chemistry and healthcare, Government officials and global leaders to push forward the Chemistry and Research.

2020 Chemistry Event is expecting more than 200+ Participants to enlighten the program.

This time the Italy Chemistry Conference will organize several Oral and Poster Presentations/Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced several new tracks to bring in more participants.

Accepted abstracts will be published in Conference Proceedings and in Allied Academies journals which will be provided with Digital object identifier by Cross Ref.

The Supporting Journals for Chemistry 2020 are:
