

Editorial Note

4th International Conference on Medical & Clinical Microbiology June 09-10, 2020

We had a huge success with the completion of 4th International Conference on Medical & Clinical Microbiology June 09-10, 2020. The significance of the meeting was achieved due to the accumulation of all the related group of spectators of research scientists to share their Knowledge, Research work, Technologies, and furthermore trade of worldwide Information towards the correct crowd at ideal time. Congress has received a generous response from all over the world. This has been organized with the aim of endorsing the development of new perceptions and ideas for investigating the high level of knowledge reached by scientific community in the field of Clinical Microbiology.

The conference was organized around the theme “Microbiological research on Uncoating the Novel Coronavirus”. The congress entrenched a firm relation of future strategies in the field of Clinical Microbiology 2020.

We would like to thank all the participants and following keynote speakers:

University of the Philippines Manila, Maheshi Mapalagamage, University of Colombo, Sri Lanka, Claudia Durall, Uppsala Universitet, Sweden, Aditi Chauhan, Panjab University, India, Gautam Krishnan, Bits Pilani Kk Birla Goa Campus, India, P Rameshthangam, Alagappa University, India

We would like to thank each and every participant of Clinical Microbiology 2020 Conference to make this a huge success. And special thanks to media partners for the promotion of our event.

The Conference Series Clinical Microbiology Conferences aim to bring together the prominent researchers academic scientists, and research scholars to exchange and share their experiences on all aspects of Clinical Microbiology. It is conjointly a knowledge domain platform for researchers, practitioners and educators to gift and discuss the foremost recent advances, trends, and issues in addition as sensible challenges and solutions adopted in the fields of Clinical Microbiology. With the grand success of Clinical Microbiology 2020, Conference Series LLC Ltd is proud to announce the 5th International Conference on Medical & Clinical Microbiology Feb 26-27, 2021 Webinar. Clinical Microbiology 2020 has been prepared with the aim and the specific intent of promoting the development of new perspectives and ideas for exploiting the high level of knowledge achieved by the scientific community in various Clinical Microbiology fields.
