On behalf of the Board of the Der Pharmacia Sinica (DPS) and my co-editors I am proud to introduce you open access peer-reviewed online journal Der Pharmacia Sinica. The journal Der Pharmacia Sinica (ISSN: 1758-1907) started publishing in 2011 and has since then published several high quality papers and reviews. The journal is currently indexed in Open J Gate, ResearchBible, OAJI, IJIF, I2OR. I am extremely thankful to the Editorial board, our readers and contributors (authors and reviewers) for making this journal a great success. DPS was established with a vision of supporting and promoting research in diabetes research across the world. The objective of DPS is to publish up-to-date, high-quality and original research papers alongside relevant and insightful reviews. As such, the journal aspires to be vibrant, engaging and accessible, and at the same time integrative and challenging.

It is our pleasure to announce that during year 2019, all issues of volume 10 were published online on time. Der Pharmacia Sinica is peer-reviewed and is published in electronic version. Der Pharmacia Sinica publishes research and review articles, rapid and short communication in entire aspects of the pharmaceutical sciences with strong emphasis on originality and scientific quality. More specifically, the Journal publishes reports in Chemistry, Medicinal Chemistry, Pharmacology, Pharmaceutics, Pharmacognosy, drug absorption and metabolism, Pharmacokinetics and Pharmacodynamics, Pharmaceutical and Biomedical analysis, Drug Delivery including gene delivery, drug targeting, Pharmaceutical Technology, Pharmaceutical Biotechnology and Clinical Drug evaluation .Globally articles have been accessed by the research scientists and also cited.

Needless to say, any papers that you wish to submit, either individually or collaboratively, are much appreciated and will make a substantial contribution to the early development and success of the journal. Best wishes and thank you in advance for your contribution to the Der Pharmacia Sinica. I would welcome your contributions and suggestions to take DPS to further heights.
